The District will not tolerate any type of bullying or harassment activity by any of its employees, including but not limited to sexual, racial, religious, national origin, disability, or pregnancy. This policy also applies to non-employee volunteers who work subject to the control of school authorities. Members of the School District community and third parties, which includes all staff, are encouraged to promptly report incidents of unlawful harassing conduct to an administrator, supervisor, or other School District official so that the Superintendent or designee may address the conduct before it becomes severe, pervasive, or persistent.

- negative stereotyping;
- threatening, intimidating or hostile acts.

Disability harassment is oral, written, graphic or physical conduct or any act as relating to an individual's disability that is sufficiently severe, pervasive or persistent so as to limit or interfere with the ability of the individual to participate in or benefit from district programs or activities; harassment that has the effect of unreasonably interfering with an employee's performance or creating an intimidating, hostile or offensive working or school environment.

SPECIFIC PROHIBITIONS

It is sexual harassment for a school district employee or non-employee volunteer to use his or her authority to solicit sexual favors or attention from subordinates or students, including but not limited to incidents when the subordinate's or student's failure to submit will result in adverse treatment, or when the subordinate's or student's acquiescence will result in preferential treatment. It is racial harassment for a school board employee or non-employee volunteer to create or be responsible for a racially hostile environment i.e., harassing conduct that is sufficiently severe, pervasive, or persistent so far as to interfere with or limit the ability of an employee or student to participate in or benefit from services, activities, or privileges provided by the District. It is disability harassment when a school district employee, non-employee volunteer or student seeks to involve a student or employee with a disability in antisocial, dangerous or criminal activity where the student or employee because of a disability, is unable to comprehend fully or consent to the behavior.

PROCEDURES

Any person who alleges harassment by any staff member may report directly to his/her administrator or supervisor. If the direct administrator or supervisor is the offending person, the report should be made to the next higher level of administration or supervision. Filing of a complaint or otherwise reporting harassment will not affect the individual's status, future employment, future promotion, extracurricular activities or work assignments. It is unlawful to retaliate against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation

The right to confidentiality, both of the complainant and of the accused, will be respected, consistent with the District's legal obligations, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

In determining whether alleged conduct constitutes harassment, the totality of the circumstances, the nature of the conduct and the context in which the alleged conduct occurred will be investigated. The Superintendent or designee has the responsibility of investigating and resolving complaints of harassment.

A substantiated charge against a school district employee shall subject such employee to disciplinary action up to and including termination.

Any employee, applicant for employment, student, or applicant for admission who believes he/she has been discriminated against or harassed is encouraged to use the District's established complaint procedures or directly contact his/her administrator or supervisor.

DRUG-FREE WORKPLACE POLICY

In compliance with the Drug-Free Workplace Act of 1988, the unlawful manufacture, distribution, dispensing, possession or use of alcohol, illicit drugs or any controlled substances is prohibited. Only prescribed medications are permitted on School Board premises or during any official School District related activity, and it is the responsibility of the employee to ensure that any prescribed medication is properly secured. To facilitate enforcement of this Policy, following an offer of employment by the Hernando County School Board, all job applicants will be required to take and pass a drug test. Current employees will be tested for drugs and/or alcohol for any of the following: 1) reasonable suspicion/cause; 2) post-accident/injury as required for DOT reporting; 3) random testing as per Department of Transportation regulations; 4) follow-up after an employee returns from a drug treatment or counseling program; 5) as required as part of any medical examination required by the HCSB. Refusal to submit to testing upon request, for any of the reasons authorized, shall subject the employee to the same disciplinary consequences as would result from a positive test result including termination for cause, denial of Unemployment Benefits, denial of Workers' Compensation, and medical and indemnity benefits.

Any employee violating this policy shall be immediately suspended by the Superintendent and a report shall be made to the School Board for further action, which could result in termination of employment.

Failure by any employee to report a known violation of this policy will constitute an act of insubordination and willful neglect of duty. School/Department Procedural Handbooks

Many district departments produce informative handbooks pertaining to the services and procedures applicable to their departments. Schools produce the handbooks/handouts specific to the campus and population of the individual school. These handbooks are a source for specific policies and procedures, available instructional material, and campus “whereabouts.” It is important to note that all policies and procedures in school/department handbooks must align with applicable statutory requirements, school board policy and collective bargaining agreements. Please visit our school district website at hernandoschools.org.

Collective Bargaining Agreements

For information specific to your own position, refer to your respective Collective Bargaining Agreement. A copy of each Agreement is available for your review on our website at hernandoschools.org. The Agreements are very detailed regarding procedures and provision applicable to your position with the District. Two Agreements exist with the Hernando County School District:

HCTA – Hernando Classroom Teachers’ Association – Represents teachers and instructional personnel excluding paraprofessionals.

HUSW – Hernando United School Workers – Represents non-instructional support personnel including paraprofessionals.

AMERICANS WITH DISABILITIES ACT

The Hernando County School District will reasonably accommodate qualified individuals who have a disability so that they can perform the essential functions of their position. In order to make a determination about the nature of the employee's medical condition and whether the employee might be considered a qualified individual with a disability under the Americans with Disabilities Act Amendment Act (ADAAA), a Request for Accommodation Form must be completed and submitted to Risk, Benefits and Compliance in the Human Resources Department. This information is treated confidentially, is not maintained in the employee's main personnel file, and will be used only by authorized individuals. The Request for Accommodation Form can be found on the district website under "Employment."

See School Board Policy 1122.01, 3122.01 and 4122.01. Click this link: [School Board Policies](#)

ANTI-FRAUD

Fraud and fraudulent activity is strictly prohibited. This applies to any fraud, or suspected fraud, involving elected officials, employees, consultants, vendors, contractors, outside agencies and employees of such agencies, and any other parties with a business relationship with the District.

See School Board Policy 8700. Click this link: [School Board Policies](#)

ARRESTS/SELF-REPORTING ARRESTS

As per School Board Policy, employees **shall self-report** any and all arrests and convictions (including misdemeanor citations), regardless of the level of the charges, within forty-eight (48) hours. Please note this includes arrest citations – these will register as arrests in the state database.

Employees shall report to their supervisor.

Failure to report arrests and/or convictions as required by policy shall be grounds for termination of employment.

See School Board Policy 1121.01, 3121.01, and 4121.01. Click this link: [School Board Policies](#)

ATHLETICS/ACADEMICS

Staff will not be permitted to conduct supplemental activities before the end of the contractual workday without the approval of the principal and/or designee. Prior to beginning coaching activities, the individual must be either cleared by Human Resources or must be a registered volunteer through Safety and Security. No one will receive compensation for any coaching activity prior to being cleared to work by the Human Resources Department. The Athletic Handbook governs student participation in athletics.

See School Board Policy 3120.03 and 4120.03. Click this link: [School Board Policies](#)

ATTENDANCE

All employees are expected to be present during all working hours. Absence without prior approval (also called absence without authority –AWA) from an administrator or supervisor, chronic absences, absences without paid leave, habitual tardiness or abuse of designated working hours are all considered neglect of duty and will result in disciplinary action up to and including dismissal. Sick leave and leaves made necessary by sudden emergencies may be granted if the employee makes a prompt report to administration concerning the absence

CARE OF BUILDING, FURNITURE AND EQUIPMENT

School administrators and/or designee will provide staff members with an inventory sheet for their room at the beginning of the school year. This sheet is to be completed and returned to the administrator and/or designee. Each room is equipped with the necessary furniture as far as circumstances permit; therefore, furniture and equipment may not be moved from one room to another without the approval of the principal and/or designee and recorded on the inventory sheet. The furniture is assigned to the room, not the teacher. The condition of the furniture and equipment in any classroom is the direct responsibility of the teacher and any damage or defacing of same must be reported in writing to the principal and/or designee immediately.

Furniture and equipment may not be moved from one campus to another without the approval of the principal and/or designee, recorded on the proper form (SO-PC-009) and forwarded as an attachment to the Property Department to schedule transfer via entry through the School Dude program. Furniture and equipment purchased with Federal Funds may not be moved from one campus to another without the approval of the Director of Federal Programs or designee.

Furniture and other district owned property are not to be left outside the school overnight unless arrangements have been made directly with the Property Department. If the property has been deemed no longer in safe usable condition by the Property Department, instructions will be given as to how the items are to be handled.

CERTIFICATION

The state Certification Office processes applications for initial certification, certain add-ons, and all other services for non-employees. The district certification office processes renewals, certain add-ons, and name changes. The state Certification Office approves all coursework for certification purposes. Teachers must call the toll free number 1-800-445-6739 with the following information: the name of the institution; the course prefix, number and title; and the certification requirement they are attempting to satisfy by completing the course. This line is extremely busy during registration periods, so be sure to plan ahead. Also, you can e-mail the Florida Department of Education (FLDOE) at edcert@fldoe.org. Please include your name and social security number in your e-mail.

You may access the FLDOE website, <http://www.fldoe.org/edcert/>, for the following services: Certification Lookup, Application Status Lookup, and Request Materials. If you click on Application Status Lookup, you will be prompted to create a Login I.D. and Password. Once you are on this site, you will be able to access the following information about your certification file: the status/progress of your valid application and Statement of Status of Eligibility; a record of any valid Florida educator's certificate that you hold; and the official transcripts, score report and information received from the district within the last calendar year.

Teachers who hold three-year non-renewable temporary certificates must follow their Statement of Status of Eligibility. This document is an individualized listing of all the deficiencies that you must satisfy in order to be issued a Professional Certificate. If your Statement of Status of Eligibility reflects that you have specific testing requirements to meet, you must register for the exams at www.fl.nesinc.com. For more information about the requirements listed on your Statement

of Status of Eligibility, you may visit the FLDOE website: http://www.fldoe.org/edcert/cert_types.asp.

For reappointment purposes, all of the deficiencies outlined on your Statement of Status of Eligibility must be completed and documented with the district certification office no later than March 1st of the year of expiration of your temporary certificate. As a courtesy to our teachers, the district certification office sends reminder notices to teachers on temporary certificates throughout the validity period of the certificate.

Teachers who hold five-year Professional certificates must renew their certificates every five years. During the validity period of this certificate, you are required to earn either 120 in-service points to include 20 in-service points in teaching Students with Disabilities (SWD) or six semester hours of college credit to include one semester hour in teaching Students with Disabilities (SWD). Information pertaining to renewal requirements is available on the FLDOE website: <http://www.fldoe.org/edcert/renew.asp>. The earliest that the district certification office will accept your application for renewal is July 1st for the following June 30th expiration (in other words, 1 year before your professional certificate expires).

As a courtesy to our teachers, the district certification office notifies teachers of expiring professional certificates. Notification of expiring professional certificates is sent in July of the year your professional certificate expires.

If you are teaching out-of-field, proof of required in-service, coursework, or a passing score on the appropriate subject area exam and add-on application, must be submitted to the district certification office or the Florida Department of Education (depending on the type of certificate held) by your anniversary date each year. Refer to your Out Of Field documentation for more information

When you earn a higher degree from an accredited institution, you must submit an official transcript with the higher degree conferred to Certification in the Human Resources Department. If your degree major matches an area of certification on your certificate, a pay change will take effect as soon as official transcripts are received and processed by the Human Resources Department. The HCSD accepts all diplomas and degrees from sources accredited or approved by the Florida Department of Education, including foreign institutions. In other words, the Florida DOE requires the HCSD to reject any fraudulent or questionable diploma or degree from a disreputable source. Tendering a worthless diploma or degree constitutes just cause for termination for violating the Principles of Professional Conduct.

COMMUNICATIONS

Employees are reminded that in all communications, including any electronic communication (text, email), they are to ensure that they meet the ethical standards required by School Board Policy, State Board Rules 6A-10.081 , and State Statutes (Chapter 112).

Refer to the Student Code of Conduct regarding student use of electronic devices.

The School District encourages positive and professional communication between staff and students. The School District has provided staff with the means to communicate electronically with students and/or parents concerning school matters. These means include

- official school website
- parent portal
- official school social media,
- school-approved messaging applications
- District email

and are sufficient for the purposes intended. For staff to communicate regarding school matters with students and/or parents by personal electronic means when sufficient District means are available exposes the School District to possible violation of its legal obligations. Such communication could cause the appearance of inappropriate association with students.

Staff communications via private electronic media concerning non-school related matters are governed by School Board Policy, Florida Statute and the Code of Ethics and Principles of Professional Conduct. Violation of these policies may lead to disciplinary action.

Cell Phones - District

District cell phones are provided to specific staff members to use for school-related business as needed. No personal calls should be made or received using District cell phones which are the property of the school district. Employees who are assigned District cell phones are responsible for the proper care of the cell phone. Employees are responsible for the cost of replacing their District phone if it is lost, stolen, or damaged. Each case will be reviewed individually to determine if the employee acted with due diligence or if an unusual circumstance existed that may hold the employee harmless for replacement costs. The employee's cost for the replacement phone will be determined by the actual replacement cost the District incurs for the phone.

Cell Phones - Personal

Students and staff shall refrain from using cell phones for **personal use** during emergency situations. The use of cell phones by students and staff during emergencies could overload cell towers and hamper emergency response personnel's ability to communicate.

Staff members should avoid the use of personal cell phones during student contact time.

Email

All staff members should check email at least once each morning and afternoon. The Hernando County email system is to be used for School Board related business and

educational projects only. **District email is not for personal use.** These restrictions also apply to accessing the email system on Hernando County School Board computers. Communications reside on servers within the District and can be monitored by administrative directive. **District email is public record and can be viewed in accordance with public record laws.** It is advised not to use student names in email in a manner that violates School Board Policy, Florida Statute or the Code of Ethics and Principles of Professional Conduct. It is important to check District email regularly because important information is distributed in this manner.

Internet & Network Usage

All staff users of the internet must acknowledge receipt of and adhere to the Hernando County Internet Acceptable Use Agreement. It is a requirement that all computers accessing the internet through the county-wide area network will start on the same homepage. The homepage is the District's homepage located at <http://www.hernandoschools.org>.

Mailboxes

All staff members should check their mailboxes each day upon arrival at their site and again before leaving their site. Administrative approval is required before placing any material in the staff mailboxes or on any bulletin board and access to mailboxes is determined by the site administrator. If items being put in mailboxes were delivered by a representative of HUSW and HCTA, the items should be considered approved by those organizations.

Passwords

No staff member's computer passwords should be disseminated to students or any unauthorized person. Passwords are confidential and should not be shared. Unauthorized sharing of passwords violates School Board Policy, and such violation is subject to disciplinary action up to and including termination.

Phone Calls.

Telephones are provided for use during planning periods. Calls made during student contact time shall be for school related matters only.

Text Messaging

Staff may utilize text messaging for communicating with other staff using "transitory" messages only. A transitory message is defined by Florida law to be one which is created primarily to communicate information of short-term value such as scheduling appointments. They are not intended to formalize or perpetuate knowledge and do not set policy, establish guidelines or procedures, certify a transaction, or become a receipt. If there is any question about the type of information being sent, staff is advised to consult with their administrator before sending the information.

No employee may communicate with a student or students via text messaging. Electronic communication with students, if any, may only be made via District provided resources and only in compliance with the guidelines for such set forth in this Handbook.

Employees are advised that text messages, even if sent or received on a privately owned device, **may be considered public record and subject to review by district administration and possibly the public.**

Accordingly, staff are consenting to a review and/or search of their personal electronic device if such is

used for text messaging in violation of School Board Policy, Florida Statute and the Code of Ethics and Principles of Professional Conduct.

CONFLICT OF INTEREST

Any School District employee who also works for an organization doing business with the School Board must reveal such a contractual agreement, in writing, to the Superintendent. HUMAN RESOURCES- FREQUENTLY ASKED QUESTIONS

Instructional employees can bring in ten (10) years of military experience and noninstructional employees can bring in three (3) years of military experience. If the DD-214 is received within forty-five (45) days of the employee's start date, the new pay will be retroactive back to his/her start date. 6. How do I find additional resources?

- In addition to this Staff Handbook, there are other reference sources including:
 - School Board Policies - *Click this link: [School Board Policies](#)*
 - School/Department Handbooks and Procedures – many district departments produce excellent and informative handbooks and/or procedures pertaining to the services and procedures applicable to their departments. Schools produce handbooks specific to the days from the date experience is granted to appeal the number of years granted. procedures applicable to schools and students. It is important to note that all policies and procedures in school/department handbooks must align with applicable statutory requirements, School Board Policy and collective bargaining agreements.
 - Collective Bargaining Agreements – for information specific to your own position, refer to your respective Collective Bargaining Unit Agreement. A copy of each Agreement is available for view on our website at www.hernandoschools.org. The Agreements are very detailed regarding the procedures and provisions applicable to your position within the District. Two Agreements exist:

GENERAL INFORMATION – DISTRICT & INTERNAL ACCOUNT/SCHOOL FUNDS

The Finance Department offers reference guidance for handling money and making purchases through the “*Internal Account Procedures Manual*” and “*Purchasing Card Manual*.” These guides are available on the district website and the school’s bookkeeper office for all staff. It is important that staff comply with requirements stated. For guidance with district funds, refer to the “*RedBook*” located on the district website, www.hernandoschools.org/departments/budget-finance/index.

FUNDING SOURCES

Schools are provided funding from the following sources:

District Budget Funds- allocations from district

Small Grants/Donations – determined by the amount of the grant

Internal/Student Funds – all funds collected (e.g. general sales, gate receipts, fundraising & donations) at the school level become part of the internal funds unless they have been accounted for at the district level.

DISTRICT BUDGET FUNDS

The funds in the district budget are separate from the Internal Account/Student funds. The principal determines the funding level for each grade level, department, team and/or teacher. District funds not spent

by June 30th, the end of the fiscal year, will generally not roll forward into the new fiscal year. Internal account funds roll from one year to the next in most cases.

GRANT AND FEDERAL PROJECT FUNDS

Grants and Federal project funds are school specific and often come with restrictions on how the funds can be spent. For more information regarding regular grants and federal project grants, contact the Budget & Finance Department.

PURCHASE ORDERS – DISTRICT & INTERNAL ACCOUNT/SCHOOL FUNDS

All requests for purchase orders go to the bookkeeper and must be supported by documentation (i.e. quote, order form, copy of registration form, etc.). Vendors must have a completed W-9 on file before a purchase order or check can be processed. The Purchasing Department adds new vendors for items applicable to the schools. All receipts, invoices, and packing slips must be signed, dated, and returned to the bookkeeper within five (5) workdays from the delivery or receipt of the merchandise or services.

PROCUREMENT CARDS (P-CARDS)

The district's purchasing card (P-Card) program is designed to improve efficiency in processing purchases (e.g. office supplies, cleaning supplies and equipment) by allowing approved district employees to purchase approved goods and services directly from a vendor using the P-Card as the payment vehicle. This program is an alternative approach to utilizing purchase orders and is in alignment with Best Business Practices.

The P-Card program works very much like a personal credit card. The administrator requests a card for an employee by completing the Individual Purchasing Card Holder's Agreement. In order to use the card, the employee must go through training and sign that he/she understands his/her responsibilities as a cardholder. The cardholder has a spending limit each month and the P-card has restrictions on certain merchant codes in order to prevent purchase of restricted items. Under NO circumstances is the card to be used to make personal purchases.

Individuals that are authorized to use a site purchasing card must properly sign the card out and sign the card back in when the card is returned. Individuals checking out the card are responsible for the security of their card. All precautions should be taken to maintain confidentiality of all information relating to the card, such as the card holder account number and expiration date. The card or the account number should never be left in a conspicuous place for others to access

Individuals who have checked out the card are required to turn in invoices or itemized receipts signed "Approved for Payment" by the next working day to the site coordinator. Repeated failure to turn required information in to the site coordinator may result in the employee personally reimbursing the district for the expenditure, revocation of the Purchasing Card privilege and/or possible disciplinary action.

Disciplinary Action Guidelines Unauthorized use of the Purchasing VISA Card will result in appropriate disciplinary action being taken. The disciplinary action may range from a warning up to the revocation of the Purchasing Card privilege and/or possible disciplinary action. For more information regarding the P-card program go to www.hernandoschools.com/Purchasing.

DISTRICT BIDS AND STATE VENDORS – DISTRICT & INTERNAL ACCOUNT/ SCHOOL FUNDS

The district has various bids and state contracted vendors that offer discounts to the school system. Schools

are obligated to honor the currently awarded vendor bids and contracts for purchases. See the bookkeeper for information about when and how bid vendors must be used. The current bid list can be found by accessing the Purchasing Department's website at www.hernandoschools.org/Purchasing.

SALES TAX EXEMPT STATUS

A copy of the district's sales tax exemption certificate can be obtained from the bookkeeper upon request. The sales tax certificate is to be used for district and school purchases only. Outside Parent Teacher Organizations and Booster Clubs must obtain their own sales tax exemption certificate from the state and meet the requirements for a non-profit organization as required by law. Outside organizations cannot under any circumstances use the district's sales tax-exempt certificate.

EMPLOYEE TRAVEL

Employee and student travel requires approval from the Administrator and/or Superintendent's staff and/or School Board depending upon whether the travel is in-county, out-of-county or out of-state travel. Be sure to check current policies before planning, registering, or encumbering funds that require travel. More detailed information can be found on the district website, www.hernandoschools.org/departments/budget-finance/travel. Staff should work with the bookkeeper who will provide all the required information prior to travel (i.e. scheduling travel, authorized approval(s), allowable expenses and completion of paperwork with receipts for reimbursement to staff). All employee travel paid by the district must be submitted to Finance no later than 30 days from the last day of travel.

INTERNAL ACCOUNT/SCHOOL FUNDS

Internal/School Activity funds are collected internally by the school. The school's internal account funds shall be used to benefit the students and those activities as authorized by the district. These funds generally come from field trips, fundraisers, and ticket sales. Internal funds shall be administered in accordance with Florida Statutes, State Board of Administrative Rules, Financial and Program Cost Accounting and Reporting for Florida Schools ("[Red Book](#)"), Hernando County School Board policies, and the Internal Accounts Procedures Manual.

SPENDING FUNDS

All purchases for merchandise and services must be pre-approved by district or school administration as applicable and processed by the bookkeeper prior to purchase. All orders (mail, telephone, internet or direct pick up) may only be placed when the purchase order has been processed by the bookkeeper and the approved copy has been returned to the person requesting approval.

Vendors with district bids or a state contract must be utilized first, regardless of the price or convenience. Additional vendors may be considered when the requested item is unavailable.

Internal funds shall not be used to cash checks to accommodate individuals, make any kind of loans, pay any form of compensation directly to employees or extend credit. Employees of the school district who are compensated for additional services, such as working at athletic events, shall be paid through the school district payroll department or, when appropriate, as prescribed by district school board rules. Blanket Purchase Orders may not be issued to HCSD employees. All reimbursements to HCSD employees may not exceed \$50.00 for a single purchase and only be issued in an emergency circumstance.

CASH COLLECTIONS

Internal Account/School funds are collected internally by the school. The school's internal account funds shall be used to benefit the students and those activities as authorized by the district. Refer to School Board Policy 6610 located on the district website, School Board Policy

All money should be collected in the school office. Collections made collected by the school must be substantiated by a Monies Collected form from school activities and are to be turned in to the bookkeeper at the end of the day. Collections made outside of normal business hours must be remitted to the school office no later than the next business day. If the bookkeeper is unavailable, monies collected should be placed in the school's safety drop box or given to the site administrator or designated backup. If there is no drop box or no administrator present, a note to that effect should be included with the supporting documentation turned in with the money. This is considered an extreme circumstance. No monies are to be held by employees overnight except in the case of an extreme circumstance as noted (documentation required). Do not leave the money unattended in the Bookkeeping Office.

Students and/or volunteers may not handle cash collections without the direct supervision of a HCSD employee.

Receipt Books

Receipt books issued to staff members during the year must be returned to the bookkeeper as part of the teacher check-out process. If an issued receipt book is not returned, the staff member is responsible for signing a letter of acknowledgement to that effect for review by auditor. See Red Book requirements.

All collections received by any club or school organization, other than PTA/PTSAs/PTOs and those previously designated as a 501(c)(3) organization, must be deposited in the school internal account fund. These funds must be properly safeguarded, and the person having custody of the money will be held fully accountable.

STUDENT FEES

Student fees will be collected at the time of registration for the new school year and also during the first few weeks of school. All academic fees are voluntary and are used to support school programs. These fees, including certain class fees, are deposited in the school's Internal Account/School funds and are to be used for consumable supplies. Athletic participation, band, and choral fees are required and the money collected is remitted to the bookkeeper.

FUNDRAISING

The purpose of fundraising projects is to contribute to the educational experience of the students. All fundraisers must comply with Hernando County School Board policies and should not be in conflict with the overall instructional program. Refer to School Board Policy #5830

All fundraising projects and activities must be submitted on SO-Gadm-053 – Fundraising Request Form & Recap located on the district website, www.hernandoschools.org/departments/budget-finance/internal-accounts. The application must be approved by administration and scheduled on the calendar in advance of the event.

ASSEMBLIES & OTHER ACTIVITIES DURING THE SCHOOL DAY

Activities that take students out of class during the school day must receive administrative approval prior to any planning and advertising. Events that will impact large numbers of students may be reviewed before administrative approval is given. The staff sponsor of students participating in performances and/or assemblies during the school day must send a list of all participants to the attendance secretary and teachers one week prior to the event.

Assemblies, performances, and other school-wide programs that support the school and student body as a whole will be approved by school administration on a limited basis during the school year. When school-wide activities are held, school staff will assist in the supervision of students at the activity or by supervising those students who choose not to participate. A list of duty assignments may be published.

ACTIVITY ADMISSION FEES

Per Board Policy 6610, fundraising activities for which students are charged an admission shall not be present during school hours.

LEAVE OF ABSENCE

All staff are expected to be on duty each day unless there is a compelling reason why they cannot be in attendance. Questions concerning absences should be directed to the substitute coordinator at the site. The instructional employee is responsible for providing detailed plans for the substitute. When an employee is going to be absent in excess of ten (10) consecutive days, he/she must complete an Extended Leave Form [SO-PER-018](#) which can be obtained through the designated staff member at the site or the school district website. The Request for Extended Leave Form [SO-PER-018](#) must be completed by the employee and approved by the site administrator, a Human Resources Administrator and the School Board prior to taking leave when need is known in advance and as soon as possible when leave is an emergency. Employees will be notified if any additional paperwork is required. If an employee is on a leave of absence without pay, he/she is responsible for his/her benefit premium payments. If the employee is deficient in paying premiums, the employee's benefits will be terminated.

It is imperative that staff members review and become familiar with the School Board policies governing leaves of absence. Leaves must be officially granted in advance and may not be granted retroactively. Absence without prior approval from an administrator or supervisor, chronic absences, absences without paid leave, habitual tardiness or abuse of designated working hours are all considered neglect of duty and will result in disciplinary action up to and including dismissal. Sick leave and leaves made necessary by sudden emergencies may be granted if the employee makes a prompt report to administration concerning this absence.

When requesting a leave, the staff member must complete a Leave of Absence form [SO-PER-025](#) and return it to the site administrator and/or designee as stated in Board policy and bargaining unit agreements.

Any employee who is absent because of illness must file an appropriate sick leave claim within five (5) working days following return to work. This requirement is applicable to both sick leave and illness-in-the-line-of-duty leave.

All leaves, except sick leave, are to be approved in advance by the site administrator and/or designee. It is necessary to notify the appropriate personnel when a leave is canceled or if other changes

are made from the original request.

See School Board Policy 1430, 3430 and 4430. Click this link: [School Board Policies](#)

Absent Without Authority

All employees are expected to be present during all working hours. Absence from work without approval will be documented as Absent without Authority.

If an employee is absent without authority for more than five (5) consecutive days it will be considered job abandonment. The site will initiate correspondence with the employee. If an employee does not respond to the notice of job abandonment, it will constitute his/her voluntary resignation. The Superintendent will take the appropriate employment action.

Absence Without Leave or Excessive Absenteeism

Punctual and regular attendance is an essential function of an employee's job. If an employee has extensive absences during a school year, the timekeeper should notify the site administrator as soon as the employee takes time off without pay. If the employee, or the employee's family member, has a serious medical condition that is contributing to the need for unpaid leave then a Request for Extended Leave [SO-PER-018](#) & Certification of Physician form [SO-PER-178](#) must be completed and forwarded to the Human Resources Department for consideration of intermittent or extended FMLA. Administrators should not approve leaves without pay (unless first approved by Professional Standards for extreme cases). Excessive absences, chronic absences and absences without leave are all considered neglect of duty and will result in disciplinary action up to and including dismissal.

Family Medical Leave Act (FMLA)

As required in the Family Medical Leave Act (see Appendix H), in order to qualify for FMLA, an employee must have worked for the Hernando County School District for at least twelve (12) months and at least 1,250 hours during the preceding twelve (12) months. The Family Medical Leave cannot exceed twelve (12) weeks for any employee within a twelve (12) month period. This leave can only be taken for specific reasons as required by law. Once the Human Resources Department is notified of a leave request that might meet FMLA requirements, the appropriate forms will be sent to the employee. A final determination of eligibility will be made by the Human Resources Department.

When an employee is on Family Medical Leave, continuous or intermittently, the School District will continue to contribute its portion of the employee's health and life insurance, and the employee is responsible for his/her portion and any other benefit premium payments. The premium payment should be made through the Hernando County School District, Attention Benefit Payments. If employee is deficient in paying premiums, the employee's benefits will be terminated.

Upon return from Family Medical Leave, the employee is entitled to be restored to the same position that the employee held when the leave began, or to an equivalent position with the equivalent benefits, pay and other terms and conditions of employment.

Employees who are the spouses, children, parents or next-of-kin of a service member may take up to twenty-six (26) weeks of leave under the FMLA to care for the service member who incurred an injury during military service when that injury results in the service member being unable to perform his/her duties. The employee requesting such leave will be notified by the Human Resources Department regarding eligibility.

Personal Leave

All personal leave taken with pay is charged against sick leave and will reduce the employee's sick leave balance. Unpaid Personal leave will only be approved for reasons outlined in School Board Policy 1430.04, 3430.04 and 4430.04. Personal leave may or may not be approved for the days preceding or following school holidays as determined by the supervisor or principal. As per School Board Policy, requests for extended leave to take another position for salary shall be denied unless there are extenuating circumstances that are acceptable to the School Board.

Any employee may request to take up to three (3) working days of leave from work in any 12-month period if the employee, or a family or household member of an employee, is the victim of domestic violence. This leave must be approved by the administrator if it meets the criteria listed below. This leave must be used to:

- seek an injunction for protection against domestic violence or an injunction for protection in cases of repeat violence, dating violence or sexual violence; obtain medical care, mental health counseling or both for the employee or a family or household member to address physical or psychological injuries resulting from the act of domestic violence;
- obtain services from a victim-services organization, including, but not limited to, a domestic violence shelter or program or a rape crisis center as a result of the act of domestic violence;
- make the employee's home secure from the perpetrator of the domestic violence or to seek new housing to escape the perpetrator; or
- seek legal assistance in addressing issues arising from the act of domestic violence or to attend and prepare for court-related proceedings arising from the act of domestic violence.

Except in cases of imminent danger to the health or safety of the employee, or to the health or safety of a family or household member, an employee seeking leave from work under this section must provide to his/her employer appropriate advance notice of the leave as required by the employer's policy along with sufficient documentation of the act of domestic violence as required by the employer.

Sick Leave

The 1984 Florida Legislation states, "an employee who is absent because of illness must file an appropriate sick leave claim within five (5) working days following return to work." The immediate supervisor, director or administrator must be notified when an employee is going to be late or absent. If the employee cannot contact his/her immediate work supervisor, he/she must contact his/her office. Per School Board Policy 1430.03, 3430.03 and 4430.03, any claim for sick leave must be filed "within five (5) working days upon return of the employee to duty."

Note: In accordance with School Board Policy, any claim for sick leave shall be filed with the Superintendent, or his/her designee, within five (5) working days upon return of the employee to duty. Any leave that is not verified within the five (5) day limit may be recorded as "absence

without authority” and may result in nonpayment. When an employee is absent in excess of ten (10) consecutive days, he/she must complete an Extended Leave Form [SO-PER-018](#) which can be obtained through the designated staff member at the site or the school district website under Print Shop Documents. The Request for Extended Leave Form [SO-PER-018](#) must be completed and approved by the site administrator, a Human Resources Administrator and the School Board. Employees will be notified if any additional paperwork is required.

Sick Leave – Transfer from Other Florida School Districts

An employee may transfer sick leave earned with another Florida school district to the Hernando County School District. However, no transferred leave shall be credited to an employee’s account at a rate, or in an amount exceeding that earned while an employee of the Hernando County School Board. It is the responsibility of the employee to acquire and submit the required documentation to the Human Resources Department.

SICK LEAVE DONATION FREQUENTLY ASKED QUESTIONS

1. How do I ask for donations?
Submit a request through the Sick Leave Donation icon on First Class. Include your name, your job title and your site name.
2. When can sick leave be donated?
An employee may donate his/her accrued sick leave to another HCSD employee provided that the donation relates to a catastrophic illness or disability of the employee, maternity, or catastrophic illness or death of an immediate family member of the employee requesting leave donation. Immediate family member is defined as sibling, spouse, parent, or dependent child. The authorizing employee must retain at least ten (10) days of sick leave as of the time of donation.
3. May I donate to a family member?
Yes. Employees may donate to their spouse, child, parent or sibling if they are both full-time members of the HCSD.

4. Who must be sick in order for me to donate sick leave?
The employee requesting donation or an immediate family member as defined in #2 above.
5. What documentation do I need to supply in order to receive donated sick time?
Prior to requesting donations for the employee's own personal illness or for the illness of an immediate family member as defined in #2 above, the recipient employee must have provided appropriate documentation (Certification of Physician form) from a physician licensed to treat or provide service related to the condition requiring leave and the recipient must already be on an approved Extended Leave or approved Intermittent FMLA leave.
6. How many days of sick leave must I anticipate needing before I can participate in this program?
You must anticipate the need for at least 10 days of sick leave in order to receive transfers under this program.
7. Do I need to apply for extended leave if other employees are donating their sick time to me? Yes.
Only employees with a verified, catastrophic illness, accident or injury requiring an extended leave are eligible to receive donated sick leave. Please refer to question #2
8. Can I use sick leave for the death of a family member as defined above?
No, refer to #2 above for use of donated sick time. However, employees may ask for three days of bereavement leave for the death of a family member. Employees must have exhausted their bereavement leave first and then may ask that subsequent days be counted as sick leave.
9. How do I know how much sick time I have accumulated?
Check each pay stub or the time off status tab in Skyward for the number of hours that have accumulated. Your site timekeeper also has this information.
10. May I donate to a family member?
Yes. District employees may allow their family members (spouse, child, parent or sibling) to use the sick leave that has accrued to the employee if the family members are also district employees. The family member can only use the donated sick leave when all of his/her sick leave has been depleted.
11. Do I have to donate full days or can I just donate hours?
There is no minimum number of "days" that have to be donated by an employee but the hours donated have to equal one day. Therefore, if an employee is donating time to someone who regularly works a 7.75 hour day, exactly 7.75 hours must be donated. If the employee receiving donated time regularly works a 4 hour day then the donor must donate exactly 4 hours. Please make sure that the donation form is filled in correctly by knowing how many hours the employee requesting time regularly works before submitting the paperwork. Any paperwork with an insufficient number of hours to equal 1 paid day will be returned for reprocessing. This may cause the employee, who is requesting the time, to not receive the donation. NOTE: Only hours for the current payroll should be submitted. Donors need to keep at least two (2) weeks in their sick leave balance.
12. When will sick leave donations be credited to my sick leave balance?
Donation forms are sent to the recipient's timekeeper. Once all documentation has been received and the employee is approved to receive sick leave donations, an email will be sent out on the Sick Leave Donation Icon. At that time, employees may donate leave time. Credit of transferred sick leave will only be applied prospectively from the date of receipt in the Payroll office. Requests shall not be processed retroactively. Timely submission of required documentation is required due to the time needed to review and qualify an employee to receive sick leave donations.
13. Is there a cutoff time when donations can no longer be accepted?
Yes, once an employee is out of time and no more donations have come in for the current payroll cycle, the employee will no longer be eligible for donations and no more donations can be accepted. After Human Resources closes the employee in Skyward he/she can no longer receive donations.
14. What forms do I use?
The forms are located at www.hernandoschools.org under HCSB employees, Print Shop Form Downloads, Finance.

PAYROLL INFORMATION

In compliance with federal labor laws, employees must accurately record daily work hours on the appropriate time log. Falsification of these payroll records is grounds for termination.

- Paychecks for regular employees are subject to mandatory payroll deductions for social security tax, FRS, Medicare tax and federal withholding tax, based on Forms W-4 and the tax tables furnished by the Internal Revenue Service. Payroll matters concerning salary, payroll deductions and pay date should be handled through the work site timekeeper when possible.
- Personnel Action Form – PAF forms can be used to drop payroll deductions such as Annuity account deductions. Only your signature is required on this form.
- Payroll Calendar – The payroll calendar, which designates payroll due date and pay dates, will be developed and issued annually by the Finance Department.
- Notices of Deposit – No Notices of Deposit will be released before payday. Notices of Deposit for substitutes will be mailed on payday and cannot be picked up at the District Support Complex.
- Substitutes, temporary and part-time employees [less than four (4) hours per day] will be paid an hourly rate.

Direct deposit is required for all employees. Employees can change banks or account numbers but cannot stop direct deposit status. The inability to maintain a direct deposit account will result in the non-renewal of your annual employment contract. To make changes to your direct deposit information, original documents must be sent by pony or hand delivered to the payroll department. We can no longer accept changes by email or fax.

PAYROLL - FREQUENTLY ASKED QUESTIONS

1. **As a new hire, when can I expect my first paycheck?** If you begin work at the start of the school year, you should expect to receive your first check on the pay date according to the payroll calendars you will find online, as they are job specific. After the start of the school year, where your start date falls within the pay periods on the payroll calendars, determines when you will receive your first check. After the first check, the pay date is every two weeks.
2. **What is “pro-rated” pay?** Employees who work for the HCSD will have their pay pro-rated, if

applicable. The overall intent is to give employees as close to equal payments as possible, even when employees are off for Winter and Spring breaks. Employees can view and print paystubs from Employee Access.

3. **What if my employment in a position did not begin until after the first day of the school year?** When your job is opened by H.R., the annual contract amount will be set according to the number of working days remaining in the current contract year. Payroll will provide an explanation of your bi-weekly pay.
4. **What if I have a change in my salary or a change in my work schedule?** Your bi-weekly pay will be adjusted for the number of working days left in the current school year, and you will be paid accordingly.
5. **When I terminate my employment with the school board, when may I expect to receive payment for unused sick leave, vacation leave, and extra pay earned but not paid due to pro-rata?** The termination date is the determining factor as to when payouts are paid. The Payroll Calendar shows the Pay Period and the corresponding Pay Date. If the termination date falls in the middle of the 'pay period' it is still calculated and paid out on that 'pay date'.
6. **How will I be paid for my sick leave when my employment ends?** Sick leave pay-out is determined by the number of years worked with the District. Per School Board Policy: after 10 years and up to 12 years = 50% payout, 13 years or more = 100% payout. Once you're termination date is entered by H.R., payroll will then calculate your sick leave pay-out. Your pay-out date is determined by the 'end date' that coincides with the pay period on the Payroll Calendars. Teachers, Administrators, Professional/Technical and Confidential employees leave and vacation leave payouts will go to Bencor. Portion that goes to Bencor is based on total fiscal earnings at the time of resignation/retirement.
7. **What if I have any unpaid absences? How will they affect my pay?** Unpaid absences are deducted from the payroll period during which the absence occurred which will result in your pay for that period being lower than normal.
8. **What if I want to put in extra time over 40 hours to get my work done?** If you are a non-exempt employee you may only do so with the prior approval of your supervisor. Employees who disregard this rule will be disciplined.
9. **What if my supervisor asks me to stay late to finish work?** You must first both agree that you will receive comp time for the extra time worked and an Authorization to Accrue Comp Time Form must be signed. If you prefer to be paid for overtime your supervisor must secure prior approval of the superintendent by having the Authorization to be Paid for Overtime Worked Form signed.
10. **What is the HCSB policy on Comp time?** Compensatory or "comp" time is given to any non-exempt employee who works over 40 hours in a workweek and follows Fair Labor Standards Act (FLSA) guidelines. See [FLSA Manual](#) and [HCTA and HUSW contracts](#) for additional information. A non-exempt employee can only have a maximum balance of 240.0 hrs. comp time at any given time.
11. **What is the HCSB policy on Flex time?** Flexible schedules may be used either by non-exempt or exempt employees. All flexible schedules require prior approval by an immediate supervisor. Employees should request flex time on a temporary and infrequent basis. Flex-time hours are earned at the site level only and are not recorded in Skyward. The employee must come to an agreement with their site Administrator as to when flextime can be used.
12. **Do teachers earn comp time?** Teachers do not earn comp time. An administrator may give

permission for a teacher to have some time off if the teacher has been asked to work beyond his/her normally scheduled hours. Supervisors must not allow time off on an hour-per-hour basis for work performed by an exempt employee. Please refer to the HCTA contract for additional information on Alternate Schedule Time (AST).

13. **Do paras earn comp time?** Paras earn comp time (time and a half) if they are asked to work over 40 hours in a workweek. **When can they use it?** Paras can use comp time whenever they have prior approval of their administrator.
14. **Can I use comp time before it is accrued?** No
15. **How do I document that I have earned comp time?** Non-exempt employees will notate the hours worked on the Authorization to Accrue Comp Time Form and have it signed prior to working extended hours. The non-exempt employee will also note hours worked on his/her time sheet.
16. **Do I keep my comp time if I transfer to another site?** Yes. Your Comp Time Balance will transfer with you to any location. You are, however, asked to use the time before transferring to a new site, if possible. If you transfer to an exempt position, your comp time will be paid out to you.
17. **Can I choose to get paid time and a half instead of earning comp time?** Yes. It is your choice to receive pay rather than earn comp time, however, the Superintendent must pre-approve, in writing, any request for overtime pay in lieu of comp time. Requests to accrue comp time must be mutually agreed upon by you and your immediate supervisor prior to working extended hours.
18. **I am a supervisor who has told my nonexempt employees to NOT come in early or stay late but they do so anyway. What should I do? Do I have to pay them overtime?** You must compensate them for any time worked over 40 hours even if your employees have been told not to work early or late. However they will be disciplined for insubordination and this discipline may lead to termination.
19. **A non-exempt employee asks to take his lunch hour during the last hour of the day. Can the supervisor allow this?** This change to lunch schedule should only be allowed when it does not disturb the workflow and is not done frequently by the same employee. The employee should sign out on a site/department sign out sheet indicating that lunch is being taken at the end of the workday. This sheet should be retained by the timekeeper. The employee should sign his/her timesheet indicating the correct time that he/she left.
20. **Is an employee permitted to change his/her work hours by taking lunch or break time at the end of each day and leaving early?** No.
21. **Do times on timesheets have to be exact?** Timesheets must accurately reflect the hours worked. Employees may sign in up to 7 minutes prior to the scheduled work time and sign out up to 7 minutes after the scheduled work time without the expectation of additional compensation. This does not permit employees to report to work later than the assigned time or leave prior to the end of shift.
22. **Where can I learn more?** Visit the U.S. Department of Labor's website at: www.dol.gov/whd/regs/compliance/hrg.htm. Or review our [FSLA Manual](#).

PROBATIONARY PERIOD

New employees and current employees with employment unit changes work a probationary period during which they can be terminated without cause. There are five (5) employment units within the school system: Administrative, Confidential, Instructional, Noninstructional and Professional/Technical/Supervisory. For administrative (that require a Florida Educator's Certificate) employees, the probationary period is 97 work days as per Florida Statute. For instructional employees, the probationary period is one (1) year as per Florida Statute. For instructional staff who work less than one-half of their contract year, if reappointed, will be issued a probationary contract for the next full school year. If an instructional employee has a break in service they will be issued a new probationary contract upon return to active employment as long as the break in service was not for an approved extended leave. A break in service occurs when an employee resigns, retires, is terminated or is nonreappointed and is not re-hired before the first day of the teacher contract for the next school year. For all other employees, the probationary period is 60 work days. The probationary period begins on the first work day. The probationary period excludes weekends, paid/unpaid holidays and orientations.

PUBLIC RECORDS REQUESTS

WHAT IS A PUBLIC RECORD? Any document or record that is created or received by an agency in

connection with official agency business, and not considered confidential.

- Email messages sent from and to the district network
 - Staff employment records
 - Staff discipline records
 - Social media posts to and from the district network

REAPPOINTMENTS AND EMPLOYMENT CONTRACTS

Employees who are classified as Confidential, Professional/Technical/Supervisory, Administrative, and Instructional (hired after July 1, 2011) are on Annual Contract status regardless of how long they have worked within the district.

Instructional employees are hired on a probationary contract. The employee will remain on probationary contract during the first full year of service. Once the employee is reappointed, after a full year of service, an annual contract will be issued in accordance with Florida Statute 1012.335. An instructional employee on probationary is not guaranteed reemployment each year and may be recommended for non-reappointment. Additional information regarding annual contract can be found in 8.105 of the Agreement between the Hernando County School Board and the Hernando Classroom Teachers' Association. If a teacher was employed within the Hernando County Schools on a Professional Services Contract and is rehired after a break in service, he/she will be placed back on Probationary Contract, in accordance with Florida law.

Noninstructional employees gain tenure after completing three (3) years of service. A noninstructional employee without tenure is not guaranteed reemployment each year and may be recommended for non-reappointment by the site administrator. After successfully completing three (3) years of experience with the Hernando County School District, and being recommended for reappointment by the site administrator for the fourth consecutive year, a noninstructional employee gains tenure.

If an employee on an annual or probationary contract is not being recommended for reappointment, a reason or justification is not required due to annual contract status.

SAFETY AND SECURITY

Electronic Surveillance Devices

All HCSD property is protected by electronic surveillance devices. These devices may be used to monitor students, staff, and visitors while on HCSD property. All cameras are digitally recorded 24 hours a day. Video generally remains available for approximately 30 days unless a prior request to preserve video has been made through the Office of Safe Schools. Cameras used to monitor activity may be installed by the Office of Safe Schools in any room or area with the exception of bathrooms and changing rooms in any school district facility. Video and audio from HCSD buses and other video-equipped HCSD vehicles is generally available for 3 to 30 days, depending on the recording equipment used. There is no expectation of visual or audio privacy in any HCSD-owned vehicles. The cameras used in HCSD-owned vehicles record both video and audio input.

Doors and Gates

It is the directive of HCSD that **all** classroom doors and gates are to remain closed and locked during the school day when students are present. Pedestrian gates are to be closed and locked unless manned for the periods of arrival and dismissal.

Teachers and staff are responsible for maintaining locked doors and windows of their classrooms at all times. Failure to follow this procedure may put students and staff at risk. Failure to secure doors and gates may be subject to employee disciplinary procedures.

Drones

At all times, the use of drones on school board property is strictly prohibited unless as part of approved curriculum AND under the supervision of an HCSD staff member.

Emergency Notifications

In order to streamline the HCSD Emergency Notifications, a district contact has been assigned the task of receiving all emergency notifications during the school day and after hours. The lead site administrator or his/her designee will be responsible for ensuring the timely reporting of any and all incidents at each HCSD school. The Director of Safe Schools must be notified at the first opportunity. In turn, the Director of Safe Schools will immediately notify the Superintendent of Schools and any other required emergency response agencies or affected departments. If a facilities or maintenance emergency exists, notification must be made to the Director of Facilities Operations Division or his/her designee.

Each site will be responsible for calling 911 if the situation requires it and then calling the Director of Safe Schools at (352)797- 7233 or cell (352) 584-0833. It is essential that all other elements of the

site's emergency plans are followed during an emergency. This includes, but is not limited to, evacuations, secure campus events, lockouts, lockdowns, active shooter events, and/or weather-related emergencies.

The principal, site administrator or designee is responsible to ensure that any incident involving first responders beyond the SRO on campus is reported to the Director of Safe Schools at (352)797-7233 or cell (352)584-0833 as immediately as possible.

Reportable incidents which should be called in as immediately as possible include:

- Evacuations (for any reason to include, but not limited to: fire, bomb, chemical spill)
- Active Campus Threat (secure perimeter, hold in place, reverse evacuation)
- Weapons found, fired or reported on or near campus
- Sexual Battery
- Kidnapped or missing children
- Hostage situation
- Any threat or act of violence against a student, staff member, or site
- Any student, staff member or other person who is injured on an HCSD site AND is transported to the hospital
- Break-ins, vandalism or theft of property from a site
- The on-site arrest of any student , staff member or other person
- The death or attempted suicide of any student or staff member off site and student, staff member or other person on site

I.D. Badges/Electronic Access Cards

Employee ID badges are photo IDs provided by the Office of Safe Schools Department, and are free of charge to all employees. ID badges/Access badges **must** be worn at all times by staff for security purposes. Replacement of broken or damaged badges are provided free of charge to all employees. Lost badges are replaced at a cost of \$20.00. Employee ID badges can be kept year round for ID and discount purposes.

Keys and Electronic Access Cards

Keys are to be secured through the principal and/or designee. Requests for additional or duplicate keys must be approved by the principal. **A request for additional keys must be requested through the work order system. Keys may only be duplicated by the HCSD Office of Safe Schools and only after approval is gained through the work-site administrator and Safe School's designated staff member.** Staff may not issue or loan keys or electronic access cards to students or

other staff members. Keys and electronic access cards are assigned to specific staff members who are responsible for the security of the areas to which they provide access. Staff may not unlock doors to other rooms at the request of students nor allow students to enter rooms unsupervised. Keys and Electronic Access Cards are to be kept secured at all times, so as to avoid the possibility of loss or theft.

Keys and electronic access cards for district equipment, vehicles and buildings are the responsibility of the staff member to whom the keys were assigned. In the event an employee's assigned keys or electronic key cards are lost or stolen, the employee will be responsible for the cost of replacing them and/or the equipment associated with them (re-keying locks, key blanks, reprogramming locks, etc.). The wages of an employee who does not timely reimburse the district may be garnished until reimbursement is made. Each case of a lost or stolen key will be reviewed individually to determine if the employee acted with due diligence or if an unusual circumstance existed that may hold the employee harmless for replacement costs. The cost of replacing a damaged Electronic Access Card is free as long as the damaged card is available for review. The cost of replacing a lost or stolen Electronic Access Card is \$20.00. At the time Keys or Electronic Access Cards become lost or stolen, the site administrator and HCSD Office of Safe Schools must be informed immediately so that the site administrator can be made aware and the electronic access card can be removed from the system. When sending electronic access cards and payment for lost or stolen badges through interoffice mail, the designated Office of Safe Schools transit bag must be used. All transactions using the secured transit bags must go through the site access coordinator.

The site administrator or his/her designee shall collect all keys, electronic access cards (specific for that site) from any employee whose employment is ending with the HCSD, transferring to a different site, or on leave of absence. If keys and or electronic access cards are not retrieved, the HCSD Office of Safe Schools shall be notified immediately. Keys issued to all employees who work less than 249-day contracts must be turned in to each school/site administrator at the end of each school year. Exceptions may be made on an individual basis as agreed upon by the site administrator and Office of Safe Schools Director or designee. Keys will be reissued to employees returning for the following school year during pre-school week.

ID/Access badges must be audited by each work-site's key coordinator annually. Once the key coordinator has verified the possession and quality of each employee's ID/Access Badge, the badge may be returned to the employee. Any broken, significantly faded, or non-functioning badge should be returned to the Office of Safe Schools for replacement. Employees who work less than 249 days per year will have their electronic access temporarily disabled (for their scheduled time off) unless explicit permission is sought by the site administrator and granted by the Office of Safe Schools.

Vendors

Vendors who come on school campuses must have a current State and HCSD-issued Vendor ID showing they have successfully completed the proper background check. Any vendor who does not have a valid HCSD vendor ID must be directed to the Facilities Department and must not enter school grounds.

The visitor management program cannot be used as a substitute for the required background check and School District issued Vendor-ID.

All staff should redirect vendors without the proper vendor ID to the front office where they will be given instruction on how to get the proper vendor ID. If a vendor does not return to the main office or leave the premises staff are instructed to call law enforcement and have them removed from the premises.

See Appendix J for specific information about badge colors and requirements for vendors and contractors.

Visitors

A visitor's pass must be issued to all non-employee and non-vendor persons, including family members and parents/ guardians, who are on the campus. Staff members are to direct any persons without the proper visitor pass to the office. All visitors to school campuses during normal business hours must present a valid driver's license, State ID or military ID. The ID must be scanned through the visitor management program to ensure that the visitor or volunteer is not a sexual offender or predator. No sexual offenders or predators may enter any Hernando County School District site unless they have been cleared by the Safe Schools Department and follows the restriction placed on them by the School District.

HCSD staff, and/or Hernando County first responders who are wearing their agency identification badge should sign in at the main office using the current sign in method (visitor management system). If employees or first responders in uniform are signed into the visitor management program, the school can enter a birthdate of 01/01/11. This way all visitors to campus can be accounted for in the event of an emergency. Any district staff member who is **NOT** wearing his/her badge **must** produce a driver's license and be scanned in through the visitor management software system.

QUALIFYING EVENT/CHANGE IN STATUS

What is a Qualifying Event/Change in Status?

A Qualifying Event/Change in Status is an IRS permitted mid-year plan election change.

Can I change my benefits during the year?

In general, during the plan year, under limited circumstances as provided by the District School Board of Hernando County's plans and IRS regulations, a Change in Status event may permit you to change a benefit election or vary a salary reduction amount if you, your spouse, or dependent gained or lost eligibility for coverage under an employer's plan.

What type of changes can I make?

The IRS requires that mid-year plan election changes must be on account of and corresponds with a change in status that affects your own, your spouse's, or your dependent's eligibility. The IRS requires mid-year plan election changes be on account of, and consistent with, a permitted event. Mid-year plan election changes are not automatic. Even if you experience a permitted Change in Status election change event under IRS regulations, your employer's component plans' insurance contracts may not allow (or may limit) mid-year plan election changes.

How do I know if I have experienced a change in status?

The 2-Step Rule: You can only change your benefit election(s) during the plan year if:

1. a qualifying change in status event has occurred and
2. the requested election change(s) corresponds with the event

What are qualifying events?

1. Change in your legal marital status – including marriage, death of a spouse, or divorce.
2. Change in number of tax dependents – including marriage, birth, death, adoption, or placement for adoption.
3. Change in employment status that affects your own, your spouse or dependent's eligibility – including termination or commencement of employment, commencement or return from unpaid leave of absence.
4. The gain or loss of a dependent eligibility status – such as attainment of specified age; student status; marital status; or any similar circumstances which satisfy or cease to satisfy eligibility status.
5. Change of residence of employee, spouse, or dependent that affects his/her eligibility for coverage.

When can I complete paperwork to add my newborn?

You can enroll your newborn by completing and returning the necessary paperwork to the Employee Benefits office within 30 days. If you do not enroll your newborn within 30 days of the birth date, the newborn's claims will not be paid and you will have to wait until the next open enrollment to enroll him/her in the Board's health care plan.

Can I add other dependents when I add my newborn?

Yes, you can add existing dependents whenever a dependent gains eligibility because of a qualifying change in status event.

If one of my dependents becomes eligible for Medicaid/Medicare, can I cancel coverage for all of my dependents at this time?

No, you may cancel coverage for that dependent only.

If my dependent becomes eligible for Florida KidCare can I drop my dependent coverage mid-year?

Yes, you may drop coverage for the covered dependent.

If my dependent loses eligibility for coverage under Medicaid or Florida KidCare, can I enroll them in health coverage?

Yes. If you or your dependent(s) lose eligibility for coverage under Medicaid or Florida KidCare or become eligible for premium assistance, you must notify the Benefits Department within 30 days.

If I purchase an individual policy from an outside provider. Can I drop my dependent coverage mid-year?

No, IRS regulations do not allow a cafeteria plan participant to cease participation if he or she becomes eligible for a plan other than an employer sponsored group plan, Medicaid, Medicare or SCHIP (*Florida KidCare*).

Can I change my benefits at any time after I have experienced a Change in Status?

No, you must notify the Benefits Department within 30 days of a qualifying change in status event.

What happens if I fail to notify the Employee Benefits Department of my change in status event within 30 days?

It is the responsibility of the employee to notify the Employee Benefits Department of a change in status that affects the employee's, his/her spouse's, or his/her dependent's eligibility. Failure to notify the Employee Benefits Department within 30 days will result in your benefit election(s) continuing until the next plan year. You can make such changes during open enrollment to be effective January 1, or the next calendar year. It is the School Board's policy not to refund overpayment of premiums.

Mid-Year Plan Changes Qualifying Events:

1. Marriage
2. Divorce
3. Adoption
4. Birth
5. Over-Aged Dependent
6. Court Order
7. Change in Employment
8. Gain Employer, Federal or State Coverage
9. Involuntary Loss of Coverage
10. Moved from Service Area

If you have experienced a qualifying event, you must:

Contact Employee Benefits within 30 days of such change to request the appropriate forms to stop or modify your benefit election(s) at (352) 797 – 7007. Complete and return the change in status request forms to Employee Benefits with written documentation of qualifying change in status event.

Management will determine if your change in status meets IRS regulations. RETIREMENT

NOTE: The information below is subject to change based on Florida Retirement System (FRS) guidelines.

Deferred Retirement Option Program (DROP)

Employees who reach normal retirement age/years may elect to participate in the Deferred Retirement Option Program (DROP). This program allows an employee to effectively retire under the Florida Retirement System (FRS) Pension Plan and begin accumulating his/her retirement benefits without terminating employment, for up to 60 months. While participating in DROP, monthly retirement benefits accumulate in the FRS Trust Fund. The earliest an employee may begin participation in DROP is the month they reach normal retirement date based upon age, or the month after the month of normal retirement date based upon years of service. If an employee delays application to participate in DROP, it may affect eligibility. Noninstructional employees must apply within one (1) year of reaching normal retirement age or participation will not be allowed. For instructional personnel, there is no time limit to participate after reaching normal retirement age. To apply for DROP, an employee must complete forms DP-11, DP-ELE, FRS-11o and SA-1. These forms can be

obtained by calling FRS at (844) 377-1888 or logging on to [MyFRS](#). Contact Risk, Benefits and Compliance in the Human Resources Department for more information.

DROP Extension Request

If an employee is in an instructional or administrative position as defined in section 1012.01(2)(a)-(d) of Florida Statute, he/she may be permitted to extend his/her DROP Participation. This extension must be authorized by the School District and approved by the Division of Retirement. The employee must be employed on a contractual basis in an eligible position at the time they complete his/her initial 60-month eligibility period and must remain in an eligible position during his/her extended DROP participation. To request an extension of DROP, the employee must submit a written request to Risk, Benefits and Compliance in the Human Resources Department along with a completed FRS DP-EXT form prior to the end of his/her initial period of DROP participation. This form can be obtained by calling FRS at (844) 377-1888 or logging on to [MyFRS](#). DROP extension requests will only be authorized through the end of the employee's current contract year. Contact Risk, Benefits and Compliance in the Human Resources Department for more information.

Re-employment After Retirement

Before becoming reemployed in any capacity with any FRS employer after retiring or terminating DROP participation, the employee should contact the Bureau of Retirement Calculations Department for guidance at (844) 377-1888. DROP participation may end and the employee will not be considered to have retired. The retirement application will be voided and the employee must repay all retirement benefits that have been received, including any DROP accumulation.

WORKERS' COMPENSATION

The procedure for filing a Workers' Compensation claim is listed below:

- An injured employee must report the incident to the site workers' compensation coordinator. All injuries need to be recorded on the site's Employee First Aid Log within thirty (30) days of the injury.
- If medical treatment is necessary, the workers' compensation coordinator will do the following:
 - EMERGENCY: a medical emergency is an injury that is acute and poses an immediate risk to a person's life or long term health. Call 911 and get professional help immediately. Alert Risk, Benefits & Compliance and Fire Official.
 - Injured worker must call PMA 24 hr. nurse with the assistance of the site's worker's compensation coordinator.
 - Advise the employee that it is his/her responsibility to give the workers' compensation coordinator all documentation from the treating physician immediately following treatment.
- Advise employee that in order to receive workers' compensation benefits, he/she must stay within the assigned workers' compensation network of doctors. All authorizations for specialty medical services must be approved by the workers' compensation carrier.
- The employee must submit documentation from the authorized treating physician in order for time off to be considered as workers' compensation paid in line of duty leave. Leave for any employee, as prescribed by law, shall be authorized for a total not to exceed ten (10) work days during any school fiscal year for an illness contracted or any injury sustained in the line of duty, or a total of ten (10) days for the same illness or injury. Once the employee has been released to return to work, he/she will notify his /her supervisor immediately. Failure to do so may subject the employee to progressive discipline that may include termination. Upon return to work the employee MUST provide a "release to return to work" from the authorized treating physician to the site administrator.
- If an employee with a worker's compensation injury is out for 10 consecutive days, he/she must complete an extended leave form and follow extended leave procedures with Risk, Benefits and Compliance in the Human Resources Department.

While on Workers' Compensation Leave, the School District will continue to contribute its portion of the employee's health and life insurance premium payments. The employee is responsible for his/her portion of all other benefit premium payments. The employee's payment should be made through the Hernando County School District, Attention Benefit Payments. Employees will automatically be enrolled in the District's group life insurance plan on the first of the month following a sixty (60) day waiting period unless the employee elects differently by completing and returning the election confirmation and enrollment form within the first 30 days of returning to active employment status.

Modified Duty Assignment

If an employee is placed on a modified duty assignment, the placement must be based on a condition that resulted from a workplace injury. The specific restrictions must be identified by an authorized workers' compensation doctor. The employee's supervisor then determines if the regular position can be temporarily modified to meet the specific restrictions. If the employee's regular job cannot be modified, the employee may be placed in a modified duty assignment by Risk, Benefits and Compliance. The employee will be paid at his/her normal rate of pay and benefits. Work hours may be modified. If the injured employee does not agree to work in the modified duty assignment, the employee will forfeit workers' compensation benefits and no longer be paid by the workers' compensation carrier or the School District. Medical benefits will continue until the employee reaches maximum medical improvement (MMI) as determined by the assigned workers' compensation doctor. If the restrictions are not able to be accommodated (as determined by Risk, Benefits and Compliance in the Human Resources Department), the employee will continue on workers' compensation, and will be paid by workers' compensation carrier and medical benefits will continue (if applicable). Modified duty assignments will be reviewed periodically. If an employee has not been released to regular duty at the end of a 120 day period, an assessment will be made regarding the employee's progress and employment status.

Bullying includes cyberbullying and means systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees. Systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees that is severe or pervasive enough to create an intimidating hostile or offensive environment; or unreasonably interfere with the individual's schools performance or participation; and may involve : teasing, threats, intimidation, stalking, cyberstalking, physical violence, theft, sexual, religious, or racial harassment; public or private humiliation; destruction of property; and social exclusion.

Bullying can be physical, verbal, emotional, sexual or cyber in nature.

Harassment means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student or staff employee.

CHILD ABUSE

Professionals in daily contact with children are the first line of defense against child abuse and neglect. **Florida Statutes require that anyone who suspects that a child has been subjected to abuse or neglect is legally obligated to immediately call in their suspicion to the Abuse Registry Hotline at 1-800-96 ABUSE (1-800-962-2873).** Child abuse reports can also be faxed to 1-800-914-0004 or reported online at www.dcf.state.fl.us/abuse/report. **Penalties for those who suspect a child is being abused but fail to report it have been increased from a misdemeanor to a felony.** Additionally, the Ethics in Education Act requires mandatory reporting of child abuse. Failure to report child abuse is a breach of ethics and could result in job termination, as well as revocation of your teaching certificate. All reports are confidential; however, new revisions require that you provide your name, occupation, name of school and work number for contact by the Abuse Registry staff. As a professional courtesy, administration should be informed of any suspected child abuse that has been called in, but informing administration does not preclude the individual's duty to call in any suspected abuse. Florida Statute 1012.98 requires teachers in grades Pre-K – 12 to participate in continuing education training provided by the Department of Children Family Services on identifying and reporting child abuse and neglect. For further information contact the Professional Development Department.

When students are not in the locker room, the Physical Education Department and Athletic Department must be aware that they will be held responsible for making sure that locker rooms are locked and secure. When possible, it is recommended that two (2) staff members of the same sex be present for locker room supervision. Referees and anyone other than students may not use the locker room to change clothing or shower when students are present.

MEDIA CENTERS

Teachers at each site should become familiar with the procedures and resources at their site. The Principal or designee should develop a plan, to be approved by the principal, for collecting payment for lost or damaged items. - If the staff member is collecting the money, he/she should list all monies received by receipt number and the amount received on the correct form and give it to the bookkeeper at the end of the same day.
- Accurate records of the lost and damaged books must be kept.

If a student transfers to another school within the district without returning a media item, the Principal or designee should notify the receiving school's Principal or designee. Every effort should be made to retrieve the item(s) or payment, and the students should be allowed to use media materials in the confines of media centers. A block preventing students from checking out media materials may be placed on the student's record through the checkout system until the material(s) have been returned or reimbursement has been received.

Students are not to be released from school at the request of any person other than those listed on the student info/emergency info card. The student must be signed out and the individual must have his/her Florida state issued ID checked through the districts Safe Visitor system to ensure that the person is not a sexual offender, predator, or private alert.

PASSES

Students must have a pass when leaving a scheduled class or activity.

- Extreme discretion should be used by staff in giving a pass to a student. A real need should exist before the issuance of any pass by school personnel.
- A staff member shall not keep a student after class except with prior approval.
- As determined by administration, students in elementary schools should use the "buddy" system when leaving class.

REPORTING TO PARENTS/GUARDIANS

In an effort to improve parent/guardian involvement and to ensure parent/guardian awareness of their child's progress, each teacher should contact parents/guardians to inform them of their child's progress. It is the teacher's professional responsibility to be completely straightforward with parents/guardians concerning the academic progress of their children. Should a parent/guardian contact the teacher for specific information regarding his/her child, a teacher is to provide accurate information. If a teacher does not have the information available, the teacher should arrange to contact the parent/guardian at a time when the information is available. When parents/guardians call the school and ask that the teacher call them, every effort should be made to return their call within 2 work days or sooner.

Parents/guardians may make an appointment with the teacher before or after school, or the teacher may send home notes requesting a parent conference. If a conference is requested by the administrator during the teacher's planning time, the teacher will be notified of such conference and the teacher is to attend (HCTA Contract, section 5.13 B). A record of contacts (i.e. conferences, telephone calls) should be kept by the teacher for reference (see School Procedures Handbook for details). Notification of student progress and other home school communication should be made in a language understood by the parent unless it is not feasible. Each school has a designated translator for Spanish. If communication is needed in other languages that the school does not have resources to support, please contact your school's ESOL (English for Speakers of Other Languages) Lead Teacher for assistance.

The principal shall make provisions for students to be removed from class when the continued presence of the student in the classroom is intolerable, in accordance with Florida Statute 1003.32. If a teacher makes the request that a continually disruptive student not be returned to his/her class, the principal may not return the student to the teacher's class. The teacher and the Placement Review Committee must render decisions within five (5) working days of the removal of the student from the classroom.

Teachers should follow their school's procedure for the removal of students who are acting out. Suggestions include: having an adult accompany the student from the class or requesting an administrator to come to the class. If the principal is recommending that the student be returned to the teacher's classroom, then the case will be presented to a school-based Placement Review Committee which consists of three (3) teacher representatives [one (1) selected by the school's faculty and one (1) selected by the teacher who removed the student] and one (1) teacher appointed by the principal. The principal must notify each teacher in that school about the availability, the procedures and the criteria for the Placement Review Committee as outlined in this section. If no teacher volunteers to participate in the Placement Review Committee, then the Hernando Classroom Teachers' Association (HCTA) President will appoint members to serve on that school's committee. If the Placement Review Committee's decision is contrary to the decision of the teacher to withhold consent to the return of the removed student to the teacher's class, the teacher may appeal the committee's decision to the Superintendent of Schools.

If the student is in Special Education, then the student should be referred to the Individual Education Plan (IEP) Committee for review per due process. If the IEP Committee feels that the most appropriate placement is with the referring teacher, that decision, with meeting minutes, is presented to the Placement Review Committee to serve as documentation.

The teacher who does not wish the student readmitted to the class may not serve on the committee, nor may the principal serve on the Placement Review Committee. The teacher and the principal may speak before the committee. Neither may be present when the committee members deliberate to reach their

decision.

The Placement Review Committee has the authority to make alternative placement decisions within the frameworks of federal and state laws. The District Student Code of Conduct, Civil Rights provisions and availability of appropriate alternative placements must be considered in reaching a decision. If the decision of the committee is to remove a student from a particular class, due process procedures may require additional time to implement the change in placement.

Whenever the committee meets, records must be kept. These records must include the date and time of the meeting and any written statements provided. All decisions should be signed by the committee members rendering the decision.

Parents must be notified of their right to appear before the Placement Review Committee to present information. Parents need not be present for the committee to render a decision and they shall not be present when the committee members are deliberating. The committee serves to determine whether the principal's recommended placement is the best or only available alternative. If the committee determines that such placement is not the best or only available alternative, then the committee members will determine the placement of the student. The committee may also recommend the return of the child to the teacher's class. In those cases, the committee shall provide a written reason for this decision. All decisions of the Placement Review Committee must be made within five (5) working days of the student being removed from class.

STUDENT ABSENCES

Statute 1003.26 requires upon each unexcused absence, or absence for which the reason is unknown, the school principal or his or her designee shall contact the student's parent to determine the reason for the absence. If the absence is an excused absence, as defined by district school board policy, the school shall provide opportunities for the student to make up assigned work and not receive an academic penalty unless the work is not made up within a reasonable time.

STUDENT ACCESS, REFERRALS AND INTERVIEWS

A student will not be allowed to leave school with any person other than the student's parent/guardian or a person with a parent's/guardian's verified authorization. The enrolling parent/guardian must provide a certified court order indicating sole custody or a restraining order if they do not wish the other parent/guardian to have access to his/her child.

- **Separated/Divorced Parents/Guardians:** The question of legal custody of a child is not the responsibility of our educational establishment. School personnel shall assume the enrolling parent/guardian has legal custody of a child.
- **Legal Authorities:** It may be necessary at times for legal authorities, such as law enforcement officials, to take a student into custody or question a student on campus during school hours.
 - When a student is subject to a criminal investigation for an offense that occurred off campus, the principal shall make an attempt to contact the student's parent/guardian before allowing law enforcement officers to interview the student. The principal or designee shall document attempts.
 - If a parent cannot be contacted, the officer will be allowed to go forth with interviewing the student. The principal or staff member shall be present at such interviews. If a high school student requests that the principal or designated staff member not be present, such requests will be honored.
 - If the parent can be contacted, they will be informed that they may be present while his/her child is being interviewed as a subject in the investigation and a reasonable time

- will be allowed for them to appear at the school.
- When a student is the subject in an administrative investigation, school officials, which includes the school resource officer, shall be permitted to conduct necessary interviews.
- When a student is not the subject in a criminal or administrative investigation, but is being interviewed as a victim or witness, the principal shall permit such interview by police officers or administrative investigators. The principal shall make an attempt to contact the student's parent/guardian before allowing law enforcement officers to interview the student. The principal and/or designee shall document attempts. If the investigation involves a suspected child abuse case, the principal and/or designee may be present, in accordance with Florida Statute for such interview, if requested by a student and/or the official conducting the interview. In suspected child abuse and/or neglect cases, school authorities are not to contact the parent/guardian. This is the sole responsibility of law enforcement and the investigating agency.
- Each student has certain rights when an officer (defined as a police officer or an identified representative of the court) wishes to remove a student from school premises.
 - Should the officer request to take the student out of the school, he/she shall do so only with the consent of the parent/guardian or with a subpoena, which requires the student to be a witness. If the officer desires to make an arrest, either with or without an arrest warrant, he/she shall be allowed to do so without objection by the administrator or teacher in charge. If a student is removed by an officer, the administrator shall endeavor to notify the parent/guardian prior to the student's removal from the school premises or as soon thereafter as possible.
 - If an officer demonstrates to a principal and/or designee that a child needs to be taken into protective custody, pursuant to Florida Statute 39.401, the officer shall be permitted to remove the student.
- Referrals to outside agencies involving punitive action against a student shall be made on the referral form by the agency concerned.

STUDENT CONDUCT POLICIES

All student conduct policies are subject to School Board regulations. The Student Code of Conduct contains these regulations and is available to parents/guardians, students and teachers in both English and Spanish. The Student Code of Conduct and the Suicide Prevention Guide and the Threat Assessment Manual will be adhered to at all times.

RISK ASSESSMENT

Suicidal Individual

The child should not be left alone at any time. All suicidal ideation or attempts must be attended to **immediately**. If a certified school counselor or school social worker is not available, notify administration immediately and contact the Director of Student Services Department at (352) 797-7008. In the event that any student is taken into custody and subject to an involuntary examination, the Director of Safe Schools shall be notified. The Director of Safe Schools will notify the Superintendent and any affected departments.

Please refer to the Suicide Prevention Guide for detailed process and statutory requirements of parental notification.

A Threat Assessment must be completed by the school’s threat assessment members at the school the student attends. Threat assessment teams include a certified school counselor, school social worker or other professional with mental health expertise, a law enforcement officer(SRO), school health professional, and other professionals(teacher) who knows the student well and an administrator. If additional assistance is needed during the completion of a Threat Assessment, the Director of Safe Schools or the Threat Assessment Compliance Officer should be contacted. The administrator and Threat Assessment Team should be notified of the assessment immediately. In the event that any student is taken into custody, the Director of Safe Schools shall be notified. The Director of Safe Schools will notify the Superintendent and any affected departments.

Please refer to the Threat Assessment Manual for further details.

SUPERVISION OF STUDENTS AND GROUNDS

Employees are advised that they should not touch students in any way except for the protection of the health, safety and/or welfare of a student or for protection of themselves.

Notice of Limited Supervisory Times: The school will provide supervision to its students during regular school hours; and during the time the student is on the school premises participating with authorization in a school-sponsored activity; and during a reasonable time before and after a student is on the premises for attendance at school or for authorized participation in a school-sponsored activity. There is a rebuttable presumption that the term “reasonable time” means 30 minutes before or after the activity is scheduled or actually begins or ends, whichever is longer (Florida Statute). However, it is the policy of the Hernando County School Board to not leave students unattended at any time.

Do Not Leave Your Class Unattended: Teachers are responsible for students in their class at all times. If it is necessary to leave class for any length of time or if an emergency arises, contact the main office, principal and/or designee so that arrangements can be made for classroom coverage. **Teachers are not to leave their classes unsupervised at any time. Only school personnel may supervise students.** This includes, but is not limited to, students being placed in the hallway unsupervised for testing purposes and/or disciplinary reasons. Whenever a class is moved, notify the office and post a note on the regular classroom door. **Never send a student back to an unsupervised classroom for any reason.**

The address of the office that administers Family Educational Rights Privacy Act is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W., Washington, D.C. 20202-5920
