Revised April 11, 2023

**Lisa Braithwaite, Principal**

### **What is a School-Parent-Student Compact?**

Our annual School-Parent-Student Compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

#### **Jointly Developed**

The parents, students, and staff of Explorer K-8 must annually revise the School-Parent-Student Compact for Achievement. Surveys are sent home to solicit the widest possible participation in this process. Meetings are also held each school year to review the compact and make changes based on student needs. An additional online comment portal allows parents to submit additional feedback.

#### **Building Partnerships**

Visit our website or Facebook page to see opportunities for parents to become engaged in parent workshops, grade-level meetings, and campus activities throughout the school year.

If you would like information about volunteering at school, please visit the district website.

### **Communication About Student Learning**

Explorer K-8 is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you:

- Homework folders and agenda
- Automated phone calls about school-wide events
- Teacher phone calls
- Updates on the school website and Facebook
- Current grades in online grade system
- Parent-teacher-student conferences in October and as needed
- Skyward email

#### **Academic Achievement**

Explorer K-8 strives to increase achievement for all students. Teachers, students, and parents each contribute to the success of our students.

#### **Area of Core Academic Emphasis**

- Reading
- Writing
- Math
- Social Studies
- Science

Student Name \_\_\_\_\_

Teacher \_\_\_\_\_

Grade \_\_\_\_\_

**As a school, we will...**

- Provide grade-level instruction in accordance with Florida’s academic standards.
- Be available to provide support and guidance to students and parents to address academic needs.
- Provide tutoring as funds are available.
- Provide resources for parents to assist students with learning in the home.
- Provide workshops with tips and strategies that families can use to support students.
- Communicate with parents regarding student progress.

**As a student, I will...**

- Complete classwork to the best of my ability and ask for help when needed.
- Complete homework assignments with my parents and mark the math and science problems that I do not understand to review with my teachers.
- Attend tutoring to receive extra assistance.
- Use the websites my teachers share with me to improve my skills.
- Attend school every day.
- Arrive on time and prepared to learn.
- Charge and use my 1:1 device as directed (for families that opted to participate).

**As a parent, I will...**

- Communicate with the teacher.
- Check online grades.
- Visit the school website and other teacher-recommended websites with my child.
- Try to attend parent workshops or request information from my child’s teacher if I am unable to attend.
- Make sure my child attends every class period of each day.
- Discuss daily school and classroom happenings with my child.
- Have fun with math.
- Work with my child using math resource materials to explore math at home.
- Read with my child.
- Practice vocabulary.
- Check to see if homework is completed daily.
- Follow up with the teacher if needed via the method the teacher has requested.
- Ensure my child is charging and using their 1:1 device as directed (for families that opted to participate).
