_____

Community Project Proposal for Investigation (pg. 2)

Research: What questions do you need to answer? Where will you find the answers? Use the WEBSITE EVALUATION FORM for all websites used. (pg. 19) Make sure to keep track of all sources used in your process journal, so you are able to turn in your WORKS CITED PAGE with your presentation. To be able to create your PROPOSAL FOR ACTION, you need to conduct research.

Questions?	Resources (websites, books, magazines, newspaper articles, videos, etc.)

Process Journal: Make sure you record your findings from beginning to end to show the development of your community project…include brainstorming, notes, action, research findings, etc.

Submit this page as an extract for evidence of the INVESTIGATING & PLANNING objectives
