

DEBORAH MEDINA

Winding Waters K8

"Winding Waters K8 is proud to spotlight Debbie Medina, one of our Associate Substitute Teachers. Mrs. Medina started off as a Success Maker Lab Manager, assisting students and teachers for several years. She initiated a morning tutoring club for students based on their data. Over the years, she has provided much needed assistance to our Assessment teacher and helped run successful Book Fairs. She provides students with leadership opportunities by overseeing our Safety Patrol.

Mrs. Medina is a team player and always willing to step in to help. She was thrilled to take over a vacant First Grade teaching position last year as a long-term substitute and built great relationships with her students and their families. We knew that the Associate Substitute Teacher program was an excellent opportunity for her to fulfill her dream of being a teacher. She has started this year with a great attitude, excited to learn new content, and already has strong routines and procedures in place. We are so happy to have Mrs. Debbie Medina as part of our "One Swarm , One Nest, One Family!"

Cari O'Rourke, WWK8 Principal
