

EMILY SWOYER

Explorer K8

"Upon first entering the classroom, we were greeted with a friendly welcome from Ms. Swoyer and her students. They could not contain their excitement when they found out Ms. Swoyer was recognized for being an outstanding staff member.

Her students cheered the whole time we were in the room, and even continued their cheers when we left."

- HR Team

"Ms. Swoyer is an ESE paraprofessional who has served as a substitute teacher for her self-contained ESE classroom for over 2 years and has performed at an exemplary level in providing instruction, care, leadership for her team, and ensuring her students' IEP goals and services are integrated into the school day. Ms. Swoyer is a strong advocate for her students and special needs students in general. She is adept in communicating with all students and creating positive relationships with her students, colleagues, and peers. We encourage her to complete her final steps to become a full-time teacher as she is already an amazing educator who is willing to go above and beyond to serve her students and families. We are proud to call Ms. Swoyer an Explorer K-8 Bobcat and are grateful for her service."
