

FIONA VARNO

Suncoast Elementary

"Ms. Varno joined our school this year with a love and passion for education. She is gaining the experience she needs to become a great teacher. She has proven to be a natural leader in the classroom and her positive attitude is infectious. She has become a valuable member of her Kindergarten Team and the Suncoast Staff. I would be pleased to have the spotlight shine on Fiona."

~Scott Piesik, Principal of Suncoast Elementary

"As a brand-new teacher Fiona has gone above and beyond to plan engaging learning experiences for her students. She has created a safe and inviting classroom culture that ensures her students love coming to school every day. She has been a great addition to the Kindergarten team at Suncoast Elementary School. As her mentor it is refreshing to see someone entering the profession with so much excitement and passion for teaching."

~Alexis Chin, Mentor.
