AutoZone Pricing

Pricing under the awarded agreement is a 50% discount off list price published on the industry-leading online ordering system at www.Autozonepro.com.

On a daily basis, AutoZone's "best pricing logic program" automatically calculates the percent-off discount against any regional or national promotional pricing programs. If the promotional pricing offer provides a lower price than the catalog's normal discount pricing plan, the agency receives the lower of the two prices.

Rent a Tool Program and on-site inventory management services also available.
