TERMS CODE – 1527

The purpose and intent of this invitation to bid is to establish a contract for **on-site Fire Extinguisher and Kitchen Fire Suppression Hood Systems** services, as requested in this bid, with experienced, qualified, bonded and licensed contractors to provide for complete installation, annual inspections, recharging, testing, certifications, maintenance and repair services (all labor, personnel, equipment, supplies, and materials, etc.). It is the intention of the District to develop a partnership with the awarded vendor whereby the vendor shall allow the District personnel to work under their license for the inspection and tagging of Portable Extinguishers as long as the District personnel meets the requirements of the Division of the State Fire Marshal as a Portable Fire Extinguisher Permittee outlined in F.S 633.304. The District intends to utilize this option throughout the contract. Fire Extinguisher Inspection would only be provided by the vendor if there are no qualified personnel employed with the school district. For that reason, this bid requests pricing for inspection by both school district personnel and by the vendor.

Services will be required on an as needed basis, county wide. This bid will establish fixed hourly labor rates, firm unit pricing and firm percentage (%) off manufacturers list prices for replacement parts, supplies and materials (unless designated to be provided by the district), for the contract period as specified herein. The following is a minimum listing of services and/or related products to be provided during the contract period and in no way should be considered complete:

- ⇒ Certification and Tagging of Portable Fire Extinguishers by School District personnel (primary method);
- ⇒ Inspection, Certification – Tagging, Repair, Preventative Maintenance and Purchase of Portable Fire Extinguishers(only in the event that there are no qualified personnel employed by the school district to perform);
- ⇒ Inspection, Certification – Tagging, Repair, Preventative Maintenance and Code Compliant Upgrade of **Commercial Kitchen Fire Suppression Hoods and Systems, as well as Fire Hoses**. Conduct State Required Twice A Year Fire Inspection and Service.
- ⇒ **Hourly Rate For Labor** For The Inspection and Service Of Other Fire Related Equipment;
- ⇒ **A Percentage Discount Off Manufacturers’ List Price** For Fire Safety Devices, Parts, Equipment, Etc.

NOTE - Fire Sprinkler Systems Are Not Covered Under This Bid*
