

## **Annual Procedures Review - Welcome**

In order to assist you in becoming better acquainted with updated policies and procedures in the district, this annual review will cover various areas of which you need to be aware.

You are responsible for the information and resources presented. As you progress through the various components of this online, self-paced review program, please keep in mind that you will be asked to verify successful completion at the end of the program.

If you should have any questions or need assistance with any portion of this review, please contact the Human Resources Department at (352) 797-7005.
