May 4, 2020

Dear Parents and Students,

This Letter is to inform you of the Purpose Prep course being added to Edgenuity for students to complete during the month of May. Purpose Prep is a Social Emotional Learning course our school district has chosen to meet the required mental health mandate given down by the State of Florida. This mandate requires every student in grades 6 through 12 to complete five hours of mental health course work. Please go to our school website to review a letter from Purpose Prep in regards to this course. Students are encouraged to complete this Social Emotional Learning course within the next few weeks, while continuing to stay on task to complete the academic course work of the fourth nine weeks. Please note, I cannot stress enough the importance for students to stay on pace with their academics and complete all fourth nine weeks coursework successfully on or before May 29th.

Sincerely,

[Signature]
Stephen Crognale, Principal
