

### Deltona Elementary School's Parental Involvement Summary Plan

Schools that receive Title I, Part A funds must **develop jointly with, agree on with, and distribute to, parents of participating children a written parental involvement plan.** The plan establishes the expectations for parental involvement and describes how the school will implement a number of specific parental involvement activities, and is incorporated into the school-wide Title I School Improvement Plan submitted to the Florida Department of Education. FLDOE

#### **Involving parents in the planning, review and improvement of the Title I Program**

The school will involve parents in an organized, ongoing, and timely manner by extending an invitation for parents to join the school's Title I Committee. This committee meets monthly and consist of parents, teachers, administrators, and community members who focus on the improvement of the Title I programs, including opportunities for parent involvement, review and feedback on the Title I budget, school based parental involvement initiatives, and best practices. We have resources available for check-out from Media Center for the convenience of our students and their families.

#### **Coordination and integration of parental involvement activities with other local, state and federal programs**

The Title I staff coordinate with Title IX, Title III-English Speakers of Other Languages (ESOL), Heart Literacy, Exceptional Student Support Services, and the Florida's Dept. of Education to provide all stakeholders the necessary tools, resources, and information to be active and informed.

#### **What to expect at a Title I Annual Meeting?**

An opportunity to learn about the Title I program and resources that are offered at our school along with information on the School Grade, cumulative testing results, and a parent/guardian's Right to Know on how to be informed and involved in their child's education.

#### **Activities we provide to build the capacity for strong parental involvement**

## PARENT NOTIFICATIONS

As required by No Child Left Behind, the information contained in this document is to be shared annually with parents. The distribution of this document shall serve as a formal notification to parents regarding the following issues:

### Right to Request Information

Each parent of a student in a Title I school has the right to request information about the professional qualifications of the student's teacher(s) and any teacher assistants who serve the student. This information will be provided by the administrative office at the child's school upon request. This notice will also be provided by the school to all parents.

### Parent Notification Regarding Non-Highly Qualified Teachers

No Child Left Behind (federal education law) requires the district to notify the parent when a teacher, who is not highly qualified, teaches your child for four consecutive weeks. If this occurs, your child's school will send home a letter giving you information regarding your child's teacher.

### Parent Notification Regarding Individual Student Achievement on State Assessments

Each year a school that receives Title I, Part A funds must provide parents with an individual student report informing them of their child's level of achievement on the State's and District's assessments in at least reading/language arts, and math. This requirement is covered by the state's individual student academic assessment report.
