Course Description, Curriculum and Assessment

Our curriculum is based on the Elementary sections of Physical Education as defined by the Florida-mandated New Generation Sunshine State Standards.

Assessment in our class is on an; S (Satisfactory), N (Needs Improvement) or U (Unsatisfactory) basis. Student grades are based upon the following criteria:

- o 10% Clothing appropriate for Physical Education in coordination with the school dress code.
- o 40% Grade level Physical Education skills determined by rubrics representative of the NG Sunshine State Standards
- o 50% Participation/Effort/ROARS (Respect-Obey-Alert-Responsible-Safe)

In our class, students will be introduced to a wide range of activities with goals of mastering various Physical Education concepts, for example:

- o Health promotion and disease prevention
- o Locomotor, non-locomotor, manipulative and non-manipulative movements
- o Strategies and tactics in sports performance
- o Enjoyment, challenge, sportsmanship and self-expression

Class Expectations

In accordance with our Positive Behavior Support (PBS) Program, students will be expected to be respectful, cooperative and responsible citizens in our Physical Education class. Positive participation in all activities, unless a legitimate medical condition prevents doing so, is a very important element in growing physically, emotionally and cognitively, and is therefore expected.
