Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities and major fund of the Hernando County Education Direct Support Organization, Inc. (the Organization) as of and for the years ended June 30, 2020 and 2019, and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and major fund of the Organization as of June 30, 2020 and 2019, and the respective changes in financial position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of a Matter

As more fully described in Note 1 to the financial statements, the Organization changed to reporting in conformity with the Governmental Accounting Standards Board from the Financial Accounting Standards Board for the years ended June 30, 2020 and 2019.

As more fully described in Note 1 to the financial statements, the Organization may be operationally and financially impacted by the outbreak of the novel coronavirus (COVID-19) pandemic.

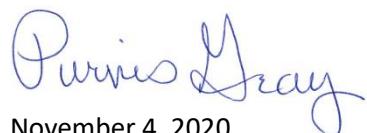

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 4, 2020, on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

REVENUES

Operating Revenue – Overall Operating Revenue decreased by 0.7%, or \$8,982, with Fundraising Events decreasing by \$112,065, due to events being cancelled related to COVID-19. There was also a \$147,200 increase in Contributions and Grants.

**HERNANDO COUNTY EDUCATION DIRECT
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2020**

Program Expenses – Overall Expenses decreased by 9.7%, or \$97,809, with Grant Related Salary Expenses decreasing by \$86,642, due to events related to COVID-19. There was also a \$32,046 decrease in Program Support. Administrative related salaries represent 9% of total expenses. In addition, professional fees were STEAM grant related.

OTHER

During March 2020, a global pandemic was declared by the World Health Organization related to the rapidly growing outbreak of a novel strain of coronavirus (COVID-19). The pandemic has significantly impacted the economic conditions in the United States, with accelerated effects in February and March, as federal, state, and local governments reacted to the public health crisis, creating significant uncertainties in the United States economy. In the interest of public health and safety, face to face teaching at schools was halted and students completed the remainder of the school year online. Several special events were canceled for the Organization due to COVID-19, and the potential impact on contributions and donations are unknown at this time. Donations of supplies are likely to decline if businesses that typically contribute are financial strapped, and the need for some supplies may also decline as more students elect to complete their education online, or if face to face teaching is again halted.

While there is uncertainty on the ongoing effects of COVID-19, the Organization is still positioned to continue to provide the District with resources to assist in carrying out its mission to financially and materially support Hernando County Public Schools, its students, and teachers.

REQUESTS FOR INFORMATION

This section of the Organization's annual financial report is designed to provide a general overview of the Organization's finances. Questions about any of the information provided in this report or requests for additional financial information should be addressed to the Hernando County Education Foundation at 900 Emerson Rd, Brooksville, Florida 34601.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The financial statements of the Organization have been prepared in accordance with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the standard-setting body for governmental accounting and financial reporting.

The Organization prepares its financial statements using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded when incurred.

Fund Accounting

The financial statements are presented in accordance with principles of fund accounting, whereby revenues and expenses are classified into funds according to specified purposes. Currently, the Organization has one operating fund, which contains restricted and unrestricted components. The Organization's operating account includes unrestricted and restricted resources, representing the portion of expendable and non-expendable funds that are available for support of operations and funds available for use in accordance with specific restrictions, respectively. When both restricted and unrestricted resources are available for use, it is the Organization's policy to use restricted resources first, then unrestricted resources as they are needed.

Income Taxes

The Organization is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code. Accordingly, the financial statements do not reflect a provision for income taxes.

The Organization files income tax returns in the U.S. federal jurisdictions.

Due to the COVID-19 Pandemic, the President signed into law the *Paycheck Protection Program Flexibility Act* of 2020 (PPP Act) to amend the Small Business Administration's (SBA) Paycheck Protection Program (PPP) loan program enacted under the *Coronavirus Aid, Relief, and Economic Security Act* of 2020 (CARES Act). The Organization received \$25,052 through the PPP loan program. The loan will be fully forgiven if the funds received are used for payroll costs, interest on mortgages, rent, and utilities. At least 60% of the loan must have been used for payroll expenses. As of June 30, 2020, the loan has not been forgiven. However, the Organization is confident most, if not all, loan expenses are related to payroll across the 24-week forgiveness period.

The following is a summary of changes in debt:

	<u>Beginning Balance</u>	<u>Additions</u>	<u>Reductions</u>	<u>Ending Balance</u>	<u>Due Within One Year</u>
Business Type Activities:					
PPP Short-Term Loan	\$ - \$ 25,511	\$ -	\$ 25,511	\$ - \$ 25,511	\$ 25,511

Note 8 - Subsequent Events

The Organization's STEAM funding agreement with the Florida Department of Education ended July 31, 2020, and the Organization has been notified that the agreement will not be extended for the 2020 - 2021 fiscal year. The Organization has, accordingly, made staffing and programmatic changes.

Effective for the 2020 - 2021 scholastic year the Organization took over administration for Take Stock in Children a non-profit organization offering comprehensive services working to offer college scholarships to students and provide volunteer mentors. The Florida Prepaid program was utilized to facilitate this change.

AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS

To the Board of Directors
Hernando County Education Direct Support Organization, Inc.
Brooksville, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities of Hernando County Education Direct Support Organization, Inc. (the Organization), as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements, and have issued our report thereon dated November 4, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify the following deficiency in internal control, which we consider the following item to be a significant deficiency:

- **2014-1 Segregation of Duties**—Currently, the Organization's staff consists of a few individuals that have complete access to all accounting transactions including the receiving and disbursement processes and cash and account reconciliation processes. These issues create a deficiency in internal controls such that there is a lack of proper segregation of duties in the accounting function.

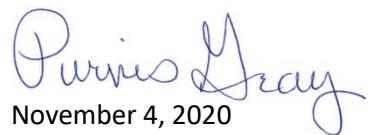

This issue is common with small organizations of this size. It is our understanding that the Organization has an audit and finance committee that was formed to oversee accounting transactions and financial statements and reports. Additional oversight is provided by the Board of Directors (the Board) and Executive Committee (Committee).

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Re: Independent Auditor's Report

Dear Board of Director's,

The following is managements responses and recommendations to the July 1, 2019-June 30, 2020 Independent Auditor's Report:

2014-1 Segregation of Duties – Our CPA firm recommends that Hernando County Education Foundation Board of Director's and Finance and Audit Committee continue to oversee all accounting functions. In 2014 management put into place a Finance and Audit Committee that meets on monthly financials overseeing all aspects of the organization. This issue is common with small organizations and our board and committee will continue to oversee all accounting functions.

If you have any questions or concerns, please feel free to contact me any time at 352-544-6418.
