

# SALES TAX ACCOUNTABILITY COMMITTEE MEETING

May 9, 2023

## I. Call to Order

Meeting called to order by Gregg Laskowski at 5:02pm in the Ken Austin room of Hernando Schools District Building.

### Present were:

Gregg Laskowski, Brian Ragan (Facilities and Constr.), Kendra Sittig (Budget), Lori Sowers, Joyce McIntyre (Finance), Brian Still (Director of Maintenance), Bob Widmar, John Martin, Kimberly Mulrooney, Lara Dedmon and JoAnn Hartge

### Absent:

Sean Arnold

### Guests:

Gracie Mulrooney, Lisa Masserio

## II. **Review & Approval of Meeting Minutes from February 28, 2023**

Bob made a motion to accept the minutes, Lori 2nd. Motion passed.

## III. **Recurring Business**

- a) **Bob Widmar** - The revenue reported on the DOR report matches Kendra and Lori's figures. Bob clarified that the collections and distributions of the ½ cent sales tax monies can be found on a website where you input Hernando County School Board to find this information. He provided this for the 3 newest members of the board for their review. It shows that the collections are in month 1, they report it in month 2 and distribute in month 3. He also provided a historical view regarding the correlation of between the population of the US census and the sales tax is 1.0, which is considered a perfect correlation.

b) **Kendra Sittig** - Kendra presented financials stating that the expenditures through March 31st. The 1st six and ½ years through June of 2022, we collected \$79,478,943.43. Through March 23rd of this fiscal year, we've collected \$12,153,645.27 with interest income of \$433,721.99. Based on the average monthly collection, we can potentially end up this year around \$578,000.00 in interest income.

So that brings the total revenue to \$92,066,310.69. The total expenditures for completed purchase orders = \$58,296,771.76. We have open purchase orders of \$14,541,691.57. We

have paid \$6,765,655.78 of that. Bringing total expenditures of \$73,969,363.90 which leaves us with a positive revenue over expenditures of \$18,096,946.79 with cash on hand of \$25,872,982.58.

- Joann H. asked for clarification regarding the closed purchase orders. She stated that some of them had adjusted amounts to “zero” and wondered what that meant. Kendra answered stating, that means there was a change order that came in at the end. Therefore, that purchase order wasn’t as high as it was projected to be. Which would result in the closing out of the purchase order.
- Joann further asked where the original “money” from that closed out purchase order, would go. Kendra stated that we budget for all these purchases as they come in. So, when they’re closed out, those unused funds go back into the fund balance to be used for other projects.
- In this discussion, it was also brought up by Brian R. that some money that isn’t used could be from contingency fund money. That unused money would again go back into the unused funds for future projects.
- Kendra further stated that there are specific purchase groups for the people that are authorized to put purchase orders in that can use those funds. It was also clarified that anything over \$300,00.00 has to be approved by the School Board. Yet if it’s under \$300,000.00, it is still done with only board approved contractors (with board approved rates).

**c) Brian Ragan** - There are several projects (around 7 million dollars worth) he will be taking to the board for approval and here are some of them:

- The facilities and maintenance lift station is budgeted for \$650,000.00. We had to get rid of one engineer that failed to produce and had to hire another one. We are almost at the guaranteed maximum price and he hopes to bring that to the board before the end of the fiscal year to get a purchase order issued.
- Central High is another project - HVAC 2. He’s already submitted a project priority list to Joyce for next fiscal year. He’s asking the board to approve \$2 million of that project on this next fiscal year.
- There were several roofing projects that came up, some of which were over budget and a lot of them the design just came together. So he’s trying to get these projects issued so he can get them done once the rainy season is over. He’s also going to be taking these roofing projects to the board (probably the May 30th meeting) so that they’ll have the materials here for the Fall.
- He’s going to do just over \$4.7 million coming out of this fiscal year and \$2 million coming out of next fiscal year’s ½ cent funds for this Central High project.
- The next 2 roofing jobs at Spring Hill and Powell, he’s bidding and he’s going to be bringing to the board soon.
- The transportation building roof, there’s a bid that’s right at \$700,000.00 for the roof and mechanical work, which is less than previous \$1.8 million that they had

originally said. Keep in mind that, that doesn't include all the work but those are the big ticket items they're trying to get done.

- Fox Chapel roof replacement will be coming to the board, for building 3. It did come in under the \$850,000.00 budget...coming in at around \$400,000.00.
- Other projects he's bringing to the board tonight is for JD Floyd's roof for envelope repair for buildings 12 and 13.

Open projects that are under construction or waiting on parts and are close to being "closed out" are:

- Springstead's roof
  - Hernando County School District building
  - Suncoast HVAC
  - JD Floyd's roof
  - Eastside's and Westside's coolers (*we'll be getting \$30,000.00 back on each of these projects*)
- 
- Joann H. asked if all the roofs are done yet. Brian's answer was "no"...and it was further stated that there are around 500 buildings they're responsible for and since roofs are only good for 20 - 30 years, there's continual replacements required on a rotational basis.

**d) Lori Sowers** - Lori stated that there were no questions that came up during her review of financial transactions. She further stated that everything balanced properly.

- Kimberly Mulrooney asked if the committee members could receive a printed list of projects that have been completed from the list that they've been given. Brian R. stated that he'll make sure that happens.
- Kimberly further asked if any prices had been coming down on these projects. The general answer was "no". It was stated that they monitor prices and some of the prices that had been rising aren't going up quite as much as in the recent past.
- Brian R. stated that he's got a color coded spreadsheet that records the status of the projects. It also has the referendum cost v.s the actual costs.
- Lori also added that on her spreadsheet are jobs that are on the referendum. She further stated that if they are colored in, they are "completed". If it's black and white, the purchase order isn't closed. Others are blank which means that project hasn't even been done.

#### **IV. Old Business**

None

- Lisa Masserio asked a question regarding a situation she observed at Moton. She noticed a maintenance issue while she happened to be there one day. There was a maintenance crew at Moton Elementary to repair something on the playground equipment. She understood that the equipment often needs to be fully replaced which meant that the equipment was fully removed and the kids didn't have equipment until it was replaced. Her question was, "is replacement of that equipment a capital expense".
- The general answer was "no", but Joyce clarified that capital funds from the millage funds can be used. But she further stated that a lot of the schools have gotten donations for equipment in the past in order to cover the cost of replacement.
- Brian S. mentioned that some companies, like Lowes, have grants for this kind of equipment. This is an option for lower income schools that could qualify for this type of grant.

#### **V. New Business**

None

#### **VI. Open Discussion**

None

- Bob asked if the school board does a yearly review with the parents of the children regarding their satisfaction level with teaching, infrastructure of the schools. Joyce stated "yes", they send it to all schools, parents and staff annually. Bob stated that he was expecting to see an improvement in satisfaction. Joyce said that she would talk to Matt Goldbrick to follow up on these survey results.
- These results could help with gauging the level of understanding regarding improvements of the schools' buildings. Since the improvements to the school building were afforded by the funds in the ½ cent sales tax, this awareness and education of the public could help with their understanding of the importance of the continuation of having these funds for the future of our schools. Hopefully the positive effects of this funding will be remembered when it comes up for a vote in 2024.
- Bob asked Lisa Masserio if our teachers are happy, or happier this year. She stated that she believes so. She said that communication around specific concerns have been addressed with the teachers. The teachers seem to generally feel that they are being updated on projects and given reasons why some projects are running behind and that accommodations have been made to help out in the meantime.

#### **VII. Public Comment**

None

### **VIII. Adjournment**

Our committee's next meeting will be August 22nd/Tuesday at 5:00pm in the Ken Austin room at the District Office.

Meeting adjourned at 5:34 pm.

**Respectfully submitted,**  
Lara Dedmon

***Sales Tax Accountability Committee***  
***Meeting Agenda***

May 9, 2023

5:00 pm

Chairperson: Gregg Laskoski

- I. Call to order
- II. Welcome Guests
- III. Approval of minutes from last meeting (02/28/2023)
- IV. Recurring business
  - 1. Bob Widmar - Revenue Spreadsheet from FL Dept of Revenue
  - 2. Kendra Sittig - Monthly Summary of Revenues & Expenditures
  - 3. Facilities – In Progress and Completed Projects
  - 4. Lori Sowers – Sales Tax Project List Spreadsheet
- V. Old business
  - a) None
- VI. New business
  - a) None
- VII. Open discussion for committee members
- VIII. Public Comment (must be on sign-in sheet)
- IX. Adjournment

**HERNANDO COUNTY SCHOOL BOARD**
