Rationale/Reason: This tabulation establishes a contract with responsive & responsible vendors to deliver various janitorial/custodial supplies to the district warehouse. An online bidding event was used to capture prices for this contract. Approved vendors will participate in an online bidding event bi-annually through the term of this contract including renewals periods. This will allow the district to secure the best pricing for the selected items. This contract approval includes unit pricing variations because of the online bidding event; however, total overall spending will not exceed the board approved expenditures.
