HCSD Dropout Prevention  
Programs Performance Based  
Diploma Option and Teenage  
Parent Program Referral Form

## PROGRAM GOALS

- Support the overall health and well-being of teenage mothers, fathers and their infants, through the provision of educational and ancillary services.
- Educate TAP program students in prenatal and postnatal healthcare, parenting skills, benefits of sexual abstinence, and the consequences of subsequent pregnancies, without increasing their academic disadvantage.
- Promote the completion of graduation requirements by identifying alternative academic arrangements.
- Advocate for and connect TAP program students with school support staff and community agencies for the provision of ancillary services.
- Provide mentoring and experiential learning opportunities to coach teenage mothers and/or fathers to promote positive self-care and parent-child interaction.
