What is a School-Parent Compact?

A School-Parent Compact for Student Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts

- Link to goals of the School Improvement Plan
- Focus on student learning skills.
- Describe how teachers will help students develop those skills using high-quality instruction.
- Share specific strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.
- Describe opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents and staff of Eastside Elementary School developed this School-Parent Compact for Student Achievement. Teachers suggested home learning strategies, and parents added ideas to make them more specific. Meetings are held each year to review the compact and make changes based on student needs. Parents are welcome to contribute comments at any time.

- Grade-level Activity Nights
