

March 21, 2024

Dear Students and Parents,

We are excited to announce that we will be offering several test prep boot camps for the upcoming state assessments. The boot camps will be held on April 1st through May 2nd from 2:15-3:45. The sessions will cover test prep and strategies for English 1, English 2, Algebra 1, Biology, and U.S. History end of course assessments. Students will report to the cafeteria each day they have registered for to have a light snack before heading to their appropriate teacher's classroom.

These boot camps are targeted for students who may need additional help to obtain passing scores, but are also open to all students who want to prepare for the assessments. Our experienced and qualified teachers will lead the boot camps and provide students with the opportunity to practice the skills they will need for the assessments. In addition, the boot camps will offer students individualized attention and support.

We encourage all students to attend the boot camps, as they will provide them with the best possible chance of success on the assessments. However, space is limited, so please register early to ensure your spot.

To register, please go to the following link and register for the necessary boot camps:

<https://forms.office.com/r/2Wsz93c1LQ>

Through the link, you will be able to select which boot camps you would like to attend. Enclosed you can also find a schedule of available boot camps and upcoming test dates.

Please note that these boot camps are voluntary and not mandatory. Space is limited, and materials need to be prepared before the boot camps begin. We ask that you register as soon as possible. If you are unable to access the registration link, please contact me for support.

We look forward to seeing you at the boot camps!

Follow the above link or scan the QR code to register for the upcoming boot camps.
