Student Community Service Information Sheet

Community Service is defined as identifying a social issue in the community. This requires students to look beyond themselves and reach out to an issue faced by our society today. These hours will meet the requirement for Bright Futures Scholarship. Hours must be completed at a 501-C-3 location, excluding hospitals and nursing homes. 1009.536
Volunteer Service is defined as assisting where needed and does not address a social issue. Although these hours are not recorded on the transcript, students can keep a log of these activities for use when applying for college, job applications, awards and other scholarships other than the Bright Futures. Volunteer Service hours do not count for Bright Futures.
