Student Performance Software

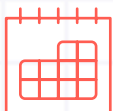

Just-in-Time Academic Support

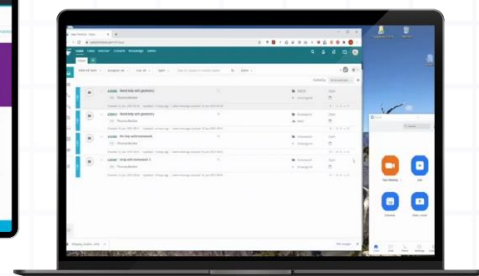

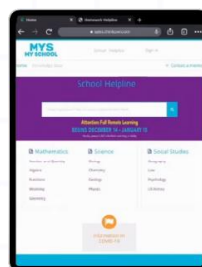

Your child will receive 1-on-1 help from a live tutor using a phone, tablet, or computer.

They can find answers to questions on their own from the Knowledge Library.

Available 24/7 They can connect with a live tutor when they need it most.

When can students use the Homework Helpline?

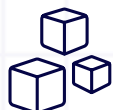

- Before School
- After School
- During flex periods in school

Tutors

Students can bring all their homework questions to a real, live tutor and get them answered in real time!

Knowledge Library

They can explore solving strategies, example homework questions, and helpful articles on all their subjects.

1

Students log in to their Single Sign-On and click the Homework Helpline tile

2

Open "Chat" and ask any homework question

3

Connect with a tutor
