

WWK8: Time to Shine on Testing!

Our Yellow Jackets have worked hard all year and we are confident they will do their very best!

Please be sure your child:

- Gets a good night's sleep
- Eats a healthy breakfast
- Brings their charged laptop to school each day
- Arrives on time each day

Encourage your child to:

- Keep their goals in mind throughout testing
- Follow directions and all testing protocols
- Remember to:

"Take a deep breath, go with the flow, just do your best and show what you know!"

Teachers will be setting up incentives that every child will have the opportunity to earn. Making attendance a priority and providing positive reinforcement and motivators on testing days will ensure children achieve their goals.

We can't wait to celebrate their success!
